Ten \$10,000 awards available to advance diversity, equity and inclusion

NEW YORK--(BUSINESS WIRE)--Feb. 18, 2022-- Colgate-Palmolive Company today announced its new *Inspire our Future* scholarship, designed to encourage and support Black and African American students who demonstrate a sustained commitment to supporting their communities. Ten recipients will be selected to receive an annual award of \$10,000.

Inspire our Future is an exciting addition to Colgate-Palmolive's efforts to advance diversity, equity and inclusion by supporting scholarships and grants for education and research. Of the ten *Inspire our Future* scholarships, five are designated for students pursuing degrees related to manufacturing, engineering, or supply chain and five are designated for those pursuing degrees related to sales or marketing.

"Our company is reimagining a healthier future for all, and our DE&I efforts are central to that purpose," said Derek Gordon, Colgate-Palmolive's Chief DE&I Officer. "*Inspire our Future* will help give underrepresented students across the United States the opportunity to thrive."

Eligible applicants include current college sophomores and juniors who self-identify as Black or African American and who meet the criteria as specified [here](#) for students pursuing careers in manufacturing, engineering or supply chain or [here](#) for students pursuing careers in sales or marketing. Awards are renewable for up to two years or until a bachelor's degree is earned, whichever occurs first. Recipients can use funds not only towards tuition at an accredited college or university, but also for other educational expenses like on-campus housing, textbooks, laptops and more.

Inspire our Future is sponsored by Colgate-Palmolive's North America Division. "We're honored to be able to add this new scholarship to the Company's existing offerings – all geared towards advancing DE&I in education," said Jesper Nordengaard, President, North America, Colgate-Palmolive.

To administer the *Inspire our Future* scholarship, Colgate-Palmolive is working with Scholarship America, a non-profit organization that partners with students, parents, colleges, businesses, and communities to help students fulfill their college dreams.
