## ABOUT THIS PROSPECTUS

We will disclose information about the debt securities in this prospectus and prospectus supplements. The term “prospectus supplement” as used in this prospectus includes any pricing supplements relating to particular offerings of debt securities. The relevant prospectus supplements will provide the financial and other specific terms of any particular offering of debt securities, many of which are determined at the time of pricing. Because the information provided in the prospectus supplements may also add, delete or change information contained in this prospectus, you should rely on the information in the applicable prospectus supplement or supplements to the extent that it is inconsistent with the information in this prospectus.

### CAUTIONARY STATEMENT REGARDING FORWARD LOOKING STATEMENTS

This prospectus and the documents incorporated by reference in this prospectus contain statements that constitute “forward looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended.

These statements may relate, for example, to sales or volume growth, organic sales growth, profit or profit margin growth, earnings growth, financial goals, the impact of currency devaluations and exchange controls, price or profit controls and labor unrest, including in Venezuela, cost-reduction plans including restructuring programs, tax rates, new product introductions, commercial investment levels or legal proceedings, among other matters. In some cases, you can identify forward looking statements by terminology such as “expect,” “anticipate,” “estimate,” “intend,” “may,” “will,” “could,” “would,” “should,” “predict,” “potential,” “plan,” “believe” or the negative of these terms or similar terminology.

These statements are made on the basis of our views and assumptions as of this time and we undertake no obligation to update these statements, except as required by law. Moreover, we do not, nor does any other person, assume responsibility for the accuracy and completeness of those statements. We caution investors that any such forward-looking statements are not guarantees of future performance and that actual events or results may differ materially from those statements. Actual events or results may differ materially because of factors that affect international businesses and global economic conditions, as well as matters specific to us and the markets we serve, including the uncertain economic environment in different countries and its effect on consumer spending habits, increased competition and evolving competitive practices, currency rate fluctuations, exchange controls, price or profit controls, labor relations, changes in foreign or domestic laws or regulations or their interpretation, political and fiscal developments, the availability and cost of raw and packaging materials, the ability to maintain or increase selling prices as needed, the ability to implement restructuring programs as planned or differences between the actual and the estimated costs or savings under such programs, changes in the policies of retail trade customers, our ability to continue lowering costs and the uncertainty of the outcome of legal proceedings, whether or not we believe they have merit.

All of the forward-looking statements are qualified in their entirety by reference to the factors discussed under the captions “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our annual report on Form 10-K for the fiscal year ended December 31, 2013 (incorporated by reference in this prospectus) and similar sections in our subsequent filings that we incorporate by reference in this prospectus, which describe risks and factors that could cause results to differ materially from those projected in the forward-looking statements. Those risk factors may not be exhaustive. We operate in a continually changing business environment, and new risk factors emerge from time to time. We cannot predict these new risk factors, nor can we assess the impact, if any, of these new risk factors on our businesses or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those projected in any forward-looking statements. Given these uncertainties, we caution investors not to unduly rely on forward-looking statements in making an investment decision. We are under no obligation to (and expressly disclaim any obligation to) update or alter

any forward-looking statement that may be made from time to time, whether as a result of new information, future events or otherwise.

## **RISK FACTORS**

Investing in the debt securities to be offered pursuant to this prospectus involves certain risks. For a discussion of the factors you should carefully consider before deciding to purchase any securities that may be offered, please read "Risk Factors" in our most recently filed Annual Report on Form 10-K, as well as those risk factors that may be included in the applicable prospectus supplement and other information included or incorporated by reference in this prospectus.

## RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our historical ratios of earnings to fixed charges for the periods indicated:

	Nine Months Ended September 30, 2014	Year Ended December 31,				
		2013	2012	2011	2010	2009
		Ratio of earnings to fixed charges	16.9	19.1	25.6	27.8

For the purpose of calculating the ratio of earnings to fixed charges, "earnings" consist of pretax income from continuing operations before adjustment for noncontrolling interests plus fixed charges, less capitalized interest, less income on equity investments. "Fixed charges" consist of interest costs whether expensed or capitalized, amortization of premiums, discounts and capitalized expenses related to indebtedness and the estimated interest component of rental expense.

## DESCRIPTION OF DEBT SECURITIES

### General

We will offer the debt securities described in this prospectus from time to time in one or more distinct series for an aggregate initial public offering price in U.S. dollars or in foreign currencies or units of two or more currencies, based on the applicable exchange rate at the time of offering, as we shall designate at the time of offering.

Unless otherwise specified in the applicable prospectus supplement, the debt securities will be issued under an indenture, dated as of November 15, 1992, as supplemented from time to time, between our company and The Bank of New York Mellon (formerly known as The Bank of New York), as trustee. A copy of the indenture is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part. The following summaries of material provisions of the debt securities and of the indenture are not complete and are subject to, and qualified in their entirety by reference to, the provisions of the indenture, including the definitions of terms.

The indenture does not limit the amount of debt, secured or unsecured, which we may issue. The debt securities offered by this prospectus are unsecured and rank equally with our other unsecured and unsubordinated indebtedness.

### Terms of the Debt Securities

We may issue the debt securities from time to time, without limitation as to aggregate principal amount and in one or more series. We may issue debt securities upon the satisfaction of conditions, including the delivery to the trustee of a supplemental indenture, or a resolution of our Board of Directors or a committee of our Board of Directors, or a certificate of our officers who have been authorized by our Board of Directors to take that kind of action, which fixes or establishes the terms of the debt securities being issued. Any supplemental indenture, resolution or officer's certificate approving the issuance of any issue of debt securities will include the following terms of that issue of debt securities:

- the aggregate principal amount;
- the stated maturity date;
- the date or dates on which we will pay principal, if other than at maturity, or the method we will use to determine these dates;
- if the amount of payments of principal (and premium, if any) or interest may be determined with reference to an index, formula or other method, the manner in which such amounts will be determined;

- whether and how the principal amount will be determined, whether by reference to an index, formula or other method;
- the rate or rates (or manner of calculating the rate or rates) at which the debt securities will bear interest, if any, and the date or dates from which any interest will accrue;
- the interest payment dates and regular record dates for any interest payable;
- if in addition to or other than the Borough of Manhattan, The City of New York, the place or places where the principal (and premium, if any) and interest, if any, will be payable, and where the debt securities may be delivered for registration, transfer or exchange;
- any provisions for redemption of the debt securities, the redemption price or prices and any remarketing arrangements;
- any mandatory redemption or sinking fund or analogous provisions;
- whether the debt securities are denominated or payable in United States dollars or in one or more currencies or units of two or more currencies;
- the form in which we will issue the debt securities, whether registered, bearer or both, and any restrictions applicable to the exchange of one form for another and/or to the offer, sale and delivery of the debt securities in either form;
- whether and under what circumstances we will pay additional amounts under any debt securities held by a person who is not a U.S. person for specified taxes, assessments or other governmental charges and whether we have the option to redeem the affected debt securities rather than pay any such additional amounts;
- whether the debt securities are to be issued in global form and if so, the depositary for the global securities;
- the title of the debt securities and the series of which the debt securities are a part;
- the minimum denominations in which any debt securities will be issuable if other than denominations of \$1,000 and any integral multiple thereof;
- any additional covenants or events of default applicable to our company; and
- any other terms of the debt securities which are not inconsistent with the provisions of the indenture.

Please see the applicable prospectus supplement for the terms of the specific debt securities being offered.

Prospective purchasers of debt securities should be aware that special U.S. Federal income tax, accounting and other considerations may be applicable to instruments such as the debt securities. The prospectus supplement relating to an issue of debt securities will describe these considerations, if they apply.

The provisions of the indenture permit us, without the consent of the holders of any debt securities, to issue additional debt securities with terms different from those of debt securities previously issued and to reopen a previous series of debt securities and issue additional debt securities of that series.

The indenture does not contain any provisions which would provide protection to holders of debt securities against a sudden and dramatic decline in credit quality resulting from a takeover, a recapitalization or other highly leveraged transaction involving Colgate.

We will pay or deliver principal and any premium, additional amounts and interest in the manner, at the places and subject to the restrictions set forth in the indenture, the debt securities and the applicable prospectus supplement. However, at our option, we may pay any interest by check mailed to the holders of registered debt securities at their registered addresses.

Holders may present debt securities for exchange, and registered debt securities for transfer or exchange, in the manner, at the places and subject to the restrictions set forth in the indenture, the debt securities and the prospectus supplement. Holders may transfer debt securities in bearer form for registered debt securities by delivering the bearer debt securities and related coupons, if any, to

the office or agency of the registrar for that series of debt securities. If any series of debt securities is issued in global form, the prospectus supplement will describe the circumstances, if any, under which beneficial owners of interests in any global debt security may exchange those interests for definitive debt securities of that same series and of like tenor and principal amount, in any authorized form and denomination. There will be no service charge for any transfer or exchange of debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with a transfer or exchange other than certain exchanges not involving any transfer.

### **Merger and Consolidation**

We may consolidate or merge with or into any other corporation, and we may sell, lease or convey all or substantially all of our assets to any corporation, *provided that*:

- the resulting corporation, if other than Colgate, is a corporation organized and existing under the laws of the United States of America or any U.S. state or the District of Columbia and assumes all of our obligations to:
  - (1) pay or deliver the principal of or any premium, interest or additional amounts on the debt securities; and
  - (2) perform and observe all of our other obligations under the indenture, and
- we or any successor corporation, as the case may be, are not, immediately after any such consolidation, merger or sale of assets, in default under the indenture.

### **Modification and Waiver**

We and the trustee may, without the consent of holders, modify provisions of the indenture for specified purposes, including, among other things, curing ambiguities and correcting inconsistencies. We and the trustee may modify and amend other provisions of the indenture with the consent of holders of at least a majority in principal amount of each series of debt securities affected. However, the consent of each holder of any debt security affected must be obtained if the amendment or modification:

- changes the stated maturity of the principal of, or any premium or installment of interest or additional amounts on, any debt security;
- reduces the principal amount due and payable at maturity or upon acceleration of maturity of, or the rate of interest or additional amounts payable on, or any premium payable on redemption or otherwise on, any debt security;
- adversely affects any right of repayment at the option of the holders;
- changes the place of delivery of, or currency of, the payment of principal or any premium, interest or additional amounts on any debt security or impairs the right to institute suit for the enforcement of any such payment or delivery;
- reduces the percentage in principal amount or aggregate issue price of the outstanding debt securities of any series, the consent of whose holders is required to modify or amend the indenture;
- modifies the foregoing requirements or reduces the percentage to less than a majority in principal amount of outstanding debt securities necessary to waive certain past defaults by Colgate under the indenture.

The holders of at least a majority in principal amount of the outstanding debt securities of any series may, with respect to that series, waive past defaults under the indenture and waive our compliance with certain provisions of the indenture, except as described under “—Events of Default.”

## Events of Default

Except as otherwise provided in the applicable prospectus supplement, each of the following constitutes an event of default with respect to each series of debt securities issued under the indenture:

- default in the payment of any interest or additional amounts when due and continuing for 30 days;
- default in the payment of any principal or premium when due and payable at maturity;
- default in the payment of any sinking fund payment when due;
- default in the performance, or breach, of any other obligation of ours under the indenture, or under provisions of a series of debt securities that are applicable to all series of debt securities, and continuance of the default for 60 days after we are given written notice of the default as provided in the indenture;
- specified events of bankruptcy, insolvency or reorganization of Colgate; and
- any other event of default with respect to debt securities of that series.

If an event of default occurs and is continuing for any series of debt securities, the trustee or the holders of at least 25% in principal amount of the outstanding debt securities of that series may declare the principal of all the debt securities of that series, or any lesser amount provided for in the debt securities of that series, due and payable immediately. At any time after such a declaration of acceleration with respect to the debt securities of any series has been made, but before the trustee has obtained a judgment or decree for payment of the money due, the holders of a majority in principal amount of the outstanding debt securities of that series by written notice may rescind any declaration of acceleration and its consequences, provided that all payments and/or deliveries due, other than those due as a result of acceleration, have been made and all other events of default have been remedied or waived.

The holders of at least a majority in principal amount of the outstanding debt securities of any series may waive an event of default with respect to that series, except a default:

- in the payment of any amounts due and payable or deliverable under the debt securities of that series; or
- in respect of an obligation of ours contained in, or a provision of, the indenture which cannot be modified under the terms of the indenture without the consent of each holder of outstanding debt securities affected.

The holders of a majority in principal amount of the outstanding debt securities of a series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to debt securities of that series, provided that the direction is not in conflict with any rule of law, the indenture or the debt securities of that series. The trustee must, within 90 days after a default occurs notify the holders of the applicable series of debt securities of the default, unless the default is cured or waived. The trustee may withhold notice of default, except default in payment of principal, any premium, interest or sinking fund payment, if it determines that it is in the interest of the holders to do so. Before proceeding to exercise any right or power under the indenture at the direction of the holders, the trustee is entitled to receive from those holders reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in complying with any such direction.

Unless otherwise stated in the prospectus supplement, any series of debt securities issued under the indenture will not have the benefit of any cross-default provisions with other indebtedness of our company.

We will be required to furnish to the trustee annually a statement as to our performance of all of our obligations and conditions under the indenture.

## Limitations Upon Liens

The debt securities will not be secured by any mortgage, pledge or other lien. Unless a prospectus supplement with respect to a particular series of debt securities states otherwise, the covenants described below will apply to each series of debt securities.

We covenant in the indenture not to create or suffer to exist, or permit any of our Principal Domestic Subsidiaries to create or suffer to exist, any Lien on any Restricted Property, whether owned on the date of the indenture or thereafter acquired, without making effective provision (and we covenant and agree in the indenture that we will make or cause to be made effective provision) whereby the debt securities shall be directly secured by such Lien equally and ratably with (or prior to) all other indebtedness secured by such Lien as long as such other indebtedness shall be so secured; provided, however, that there shall be excluded from the foregoing restrictions:

- Liens securing Debt not exceeding \$10,000,000 which are existing on the date of the indenture on Restricted Property; and, if any property owned or leased as of the date of the indenture by us or one of our Principal Domestic Subsidiaries at any time thereafter becomes a Principal Domestic Manufacturing Property, any Liens existing on the date of the indenture on such property securing the Debt secured or evidenced thereby on the date of the indenture;
- Liens on Restricted Property of a Principal Domestic Subsidiary as a security for Debt of such Subsidiary to us or to another Principal Domestic Subsidiary;
- in the case of any corporation which becomes a Principal Domestic Subsidiary after the date of the indenture, Liens on Restricted Property of such Principal Domestic Subsidiary which are in existence at the time it becomes a Principal Domestic Subsidiary and which were not incurred in contemplation of it becoming a Principal Domestic Subsidiary;
- any Lien existing prior to the time of acquisition of any Principal Domestic Manufacturing Property acquired by us or one of our Principal Domestic Subsidiaries after the date of the indenture through purchase, merger, consolidation or otherwise;
- any Lien on any Principal Domestic Manufacturing Property (other than a Major Domestic Manufacturing Property) acquired or constructed by our company or a Principal Domestic Subsidiary after the date of the indenture which is placed on such Property at the time of or within 180 days after the acquisition thereof or prior to, at the time of or within 180 days after completion of construction thereof to secure all or a portion of the price of such acquisition or construction or funds borrowed to pay all or a portion of the price of such acquisition or construction;
- extensions, renewals or replacements of any Lien referred to in the first, third, fourth or fifth bullet points above to the extent that the principal amount of the Debt secured or evidenced thereby is not increased, provided that the Lien is not extended to any other Restricted Property;
- Liens imposed by law, such as carriers', warehousemen's, mechanics', materialmen's, vendors' and landlords' liens, and liens arising out of judgments or awards against us or any of our Principal Domestic Subsidiaries with respect to which we or such Subsidiary at the time shall currently be prosecuting an appeal or proceedings for review and with respect to which it shall have secured a stay of execution pending such appeal or proceedings for review;
- Liens securing the payment of taxes, assessments and governmental charges or levies, either (1) not delinquent or (2) being contested in good faith by appropriate legal or administrative proceedings and as to which we or a Principal Domestic Subsidiary, as the case may be, to the extent required by generally accepted accounting principles applied on a consistent basis, shall have set aside on its books adequate reserves;
- minor survey exceptions, minor encumbrances, easements or reservations of, or rights of others for, rights of way, sewers, electric lines, telegraph and telephone lines and other similar purposes and zoning or other restrictions as to the use of any Principal Domestic

Manufacturing Property, which exceptions, encumbrances, easements, reservations, rights and restrictions do not, in our opinion, in the aggregate materially detract from the value of such Principal Domestic Manufacturing Property or materially impair its use in the operation of our business and that of our Principal Domestic Subsidiaries; and

- any Lien on Restricted Property not referred to above if, at the time such Lien is created, incurred, assumed or suffered to be created, incurred or assumed, and after giving effect thereto and to the Debt secured or evidenced thereby, the aggregate amount of all our outstanding Debt together with that of our Principal Domestic Subsidiaries secured or evidenced by Liens on Restricted Property which are not referred to above and which do not equally and ratably secure the debt securities, shall not exceed 15% of Consolidated Net Tangible Assets.

“Code” means the Internal Revenue Code of 1986, as amended.

“Consolidated Net Tangible Assets” means the aggregate amount of assets (less applicable reserves and other properly deductible items) after deducting therefrom (1) all current liabilities and (2) all goodwill, trade names, trademarks, patents, unamortized debt discount and expense and other like intangibles of ours and our consolidated subsidiaries, all as set forth on the most recent balance sheet of ours and our consolidated subsidiaries prepared in accordance with generally accepted accounting principles as practiced in the United States.

“Debt” means (1) indebtedness for borrowed money, (2) obligations evidenced by bonds, debentures, notes or other similar instruments, (3) obligations to pay the deferred purchase price of property or services (other than accounts payable in the ordinary course of business), (4) obligations as a lessee under leases which shall have been or should be, in accordance with generally accepted accounting principles, recorded as capital leases, and (5) obligations under direct or indirect guaranties in respect of, and obligations (contingent or otherwise) to purchase or otherwise acquire, or otherwise to assure a creditor against loss in respect of, indebtedness or obligations of others of the kinds referred to in clauses (1) through (4) above.

“Domestic Subsidiary” means any Subsidiary a majority of the business of which is conducted within the United States of America, or a majority of the properties and assets of which are located within the United States of America, except any Subsidiary whose assets consist substantially of the securities of Subsidiaries which are not Domestic Subsidiaries.

“Instruments” of any corporation means and includes (1) all capital stock of all classes of and all other equity interests in such corporation and all rights, options or warrants to acquire the same, and (2) all promissory notes, debentures, bonds and other evidences of Debt of such corporation.

“Lien” means any mortgage, lien, pledge, security interest, encumbrance or charge of any kind, any conditional sale or other title retention agreement or any lease in the nature thereof, provided that the term “Lien” shall not include any lease involved in a sale and lease-back transaction.

“Major Domestic Manufacturing Property” means any Principal Domestic Manufacturing Property the net depreciated book value of which on the date as of which the determination is made exceeds 3% of the Consolidated Net Tangible Assets.

“Principal Domestic Manufacturing Property” means any building, structure or facility (including the land on which it is located and the improvements and fixtures constituting a part thereof) used primarily for manufacturing or processing which is owned or leased by us or any of our Subsidiaries, is located in the United States of America and the net depreciated book value of which on the date as of which the determination is made exceeds 1% of Consolidated Net Tangible Assets, except any such building, structure or facility which our Board of Directors by resolution declares is not of material importance to the total business conducted by us and our Subsidiaries as an entirety.

“Principal Domestic Subsidiary” means (1) each Subsidiary which owns or leases a Principal Domestic Manufacturing Property, (2) each Domestic Subsidiary the consolidated net worth of which exceeds 3% of Consolidated Net Tangible Assets (as set forth in the most recent financial statements delivered pursuant to the indenture) and (3) each Domestic Subsidiary of each

Subsidiary referred to in the foregoing clause (1) or (2) except any such Subsidiary the accounts receivable and inventories of which have an aggregate net book value of less than \$5,000,000.

“Restricted Property” means and includes (1) all Principal Domestic Manufacturing Properties, (2) all Instruments of all Principal Domestic Subsidiaries and (3) all inventories and accounts receivable of ours and our Principal Domestic Subsidiaries.

“Subsidiary” means any Corporation of which at the time of determination we or one or more of our Subsidiaries owns or controls directly or indirectly more than 50% of the shares of Voting Stock.

“Voting Stock” means stock of a Corporation of the class or classes having general voting power under ordinary circumstances to elect at least a majority of the board of directors, managers or trustees of such Corporation, provided that, for this purpose, stock which carries only the right to vote conditionally on the happening of an event shall not be considered voting stock whether or not such event shall have happened.

Other capitalized terms used but not defined in this prospectus shall have the meaning given those terms in the indenture.

### **Legal Defeasance and Covenant Defeasance**

We at any time may terminate as to a series of debt securities all of our obligations (except for certain obligations regarding the defeasance trust and obligations to register the transfer or exchange of a debt security, to replace destroyed, lost or stolen debt securities and any related coupons and to maintain agencies with respect to the debt securities) arising under the indenture and the debt securities and coupons of that series. This option of ours is called a “legal defeasance.” We at any time may terminate as to a series of debt securities, among other obligations, our obligations arising under the covenant described under “Limitations Upon Liens” above. This option of ours is called a “covenant defeasance.”

We may exercise our legal defeasance option with respect to a series of debt securities even if we have previously exercised our covenant defeasance option in regard to that series of debt securities. If we exercise our legal defeasance option with respect to a series of debt securities, that series may not be accelerated because of an Event of Default. If we exercise our covenant defeasance option with respect to a series of debt securities, that series may not be accelerated on the basis of breaches of the defeased covenant.

To exercise either option as to a series of debt securities, we must deposit in trust with the trustee cash or United States government obligations sufficient to pay the principal of, premium, if any, and interest on the debt securities of that series at their maturity or redemption and must comply with other specified conditions. In particular, we must obtain an opinion of tax counsel that the defeasance will not result in recognition for United States Federal income tax purposes of any gain or loss to holders of the series of debt securities. The opinion of tax counsel, in the case of legal defeasance, must refer to and be based upon a ruling of the Internal Revenue Service or a change in applicable United States Federal income tax law occurring after the date of the indenture.

### **Concerning the Trustee**

The Bank of New York Mellon serves as trustee under the Indenture and is the security registrar and paying agent with respect to the debt securities. The indenture provides that, except during the continuance of an Event of Default, the trustee will perform only such duties as are specifically set forth in the indenture. During the existence of an Event of Default, the trustee will exercise such rights and powers vested in it under the indenture and use the same degree of care and skill in its exercise as a prudent person would exercise under the circumstances in the conduct of such person’s own affairs.

The indenture contains certain limitations on the right of the trustee, should it become a creditor of ours, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee is permitted to engage

in other transactions with us; provided, however, that if the trustee acquires any conflicting interest it must eliminate such conflict or resign.

The trustee's principal office is located at One Wall Street, New York, New York 10286. We have banking relationships with The Bank of New York Mellon and certain of its affiliates. Richard J. Kogan, one of our directors, is also a director of The Bank of New York Mellon Corporation, the parent of the trustee.

## **Governing Law**

The indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

## **PLAN OF DISTRIBUTION**

We may sell debt securities:

- to the public through underwriters acting individually or through a group of underwriters which may be managed or co-managed by one or more underwriters designated by us,
- through agents or dealers,
- directly to one or more other purchasers, or
- by any combination of these methods of sale.

The prospectus supplement with respect to the particular series of debt securities being offered will describe the terms of the offering of that series, including the name or names of any agents or underwriters, the public offering or purchase price, the proceeds to us from the offering, any discounts and commissions to be allowed or paid to the agents or underwriters, all other items constituting underwriting compensation, any discounts and commissions to be allowed or paid to dealers, any initial public offering price and any exchanges on which the debt securities may be listed. Underwriters, dealers and agents that participate in the distribution of the debt securities may be deemed to be underwriters, and any discounts or commissions received by them from us and any profit on the resale of the debt securities by them may be deemed to be underwriting discounts and commissions, under the Securities Act of 1933, as amended.

Under certain circumstances, we may repurchase debt securities and reoffer them to the public as set forth above. We may also arrange for repurchases and resales of the debt securities by dealers.

No particular offering of debt securities will have an established trading market when issued. Unless specified in the applicable prospectus supplement, we will not list the notes on any securities exchange. The underwriters may from time to time purchase and sell notes in the secondary market, but they are not obligated to do so, and there can be no assurance that there will be a secondary market for the notes or liquidity in the secondary market if one develops. In addition, the underwriters may discontinue any market-making activity at any time.

To facilitate a debt securities offering, any underwriter may engage in over-allotment, stabilizing transactions, short covering transactions and penalty bids in accordance with Regulation M under the Securities Exchange Act of 1934, as amended.

- Over-allotment involves sales in excess of the offering size, which creates a short position.
- Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum.
- Short covering transactions involve purchases of the securities in the open market after the distribution is completed to cover short positions.
- Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a covering transaction to cover short positions.

Those activities may cause the price of the securities to be higher than it would otherwise be. If commenced, the underwriters may discontinue those activities at any time.

If so indicated in the prospectus supplement, we will authorize underwriters to solicit offers by certain institutions to purchase debt securities from us pursuant to delayed delivery contracts providing for payment and delivery on the date stated in the prospectus supplement. Each contract will be for an amount not less than, and, unless we otherwise agree, the aggregate principal amount of debt securities sold pursuant to the contracts shall not be more than, the respective amounts stated in the prospectus supplement. Institutions with whom the contracts, when authorized, may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions, and other institutions, but shall in all cases be subject to our approval. Delayed delivery contracts will not be subject to any conditions except that the purchase by an institution of the debt securities covered under any such contract shall not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which that institution is subject.

We have agreed to indemnify the agents and the underwriters against certain civil liabilities, including liabilities under the Securities Act of 1933, or to contribute to payments the agents or the underwriters may be required to make in connection with those liabilities. Agents, underwriters and dealers may be customers of ours, engage in transactions with us, or perform services for us in the ordinary course of business.

**Item 16. Exhibits**

The exhibits to this registration statement are listed in the exhibit index, which appears elsewhere in this registration statement and is incorporated herein by reference.

**Item 17. Undertakings**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the

changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of the Registration Fee" table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
  - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
  - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions referred to in Item 15 of this registration statement, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

## SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in The City of New York, State of New York, on October 24, 2014.

Dear Sirs:

Colgate-Palmolive Company, a Delaware corporation (the “Company”), confirms its agreement with Citigroup Global Markets Inc. (“Citigroup”), Deutsche Bank Securities Inc. (“Deutsche Bank”), Goldman, Sachs & Co. (“Goldman Sachs”), J.P. Morgan Securities LLC (“J.P. Morgan”), Merrill Lynch, Pierce, Fenner & Smith Incorporated (“Merrill Lynch”) and Morgan Stanley & Co. LLC (“Morgan Stanley” and, together with Citigroup, Deutsche Bank, Goldman Sachs, J.P. Morgan and Merrill Lynch, the “Agents”) with respect to the issue and sale by the Company of its Medium-Term Notes, Series H, described herein (the “Notes”). The Notes are to be issued pursuant to an indenture (as the same may be amended or restated from time to time, the “Indenture”) dated as of November 15, 1992 between the Company and The Bank of New York Mellon (formerly known as The Bank of New York). The Bank of New York Mellon will act as trustee with respect to the Notes (the “Trustee”).

Notes may be sold by the Company directly or to or through the Agents pursuant to the terms of this Agreement or to or through such other agent or agents as may be designated by the Company from time to time pursuant to the terms of any such other agreement containing substantially the same terms as this Agreement. The Company may from time to time, pursuant to an Officer’s Certificate delivered to the Trustee pursuant to Section 301 of the Indenture (with an original copy thereof delivered to the Agents), reduce the authorized aggregate principal amount of the Notes (but not below the aggregate principal amount of Notes previously issued under the Indenture) or authorize the issuance of additional Notes, and such additional Notes may be distributed directly by the Company or to or through any agents designated by the Company, including the Agents pursuant to the terms of this Agreement, all as though the issuance of such Notes were authorized as of the date hereof.

This Agreement provides both for the sale of Notes by the Company to one or more Agents as principal for resale to investors and other purchasers and for the sale of Notes by the Company directly to investors (as may from time to time be agreed to by the Company and the applicable Agent or Agents), in which case the applicable Agent or Agents will act as agent of the Company in soliciting offers for the purchase of Notes.

The Company has filed with the Securities and Exchange Commission (the “Commission”) an “automatic shelf registration statement,” as defined under Rule 405 of the rules and regulations of the Commission under the Securities Act of 1933, as amended (the “1933 Act Regulations”) on Form S-3 (File No. 333-177551) for the registration of debt securities, including the Notes, under the Securities Act of 1933, as amended (the “1933 Act”), and the offering thereof from time to time in accordance with Rule 415 of the 1933 Act Regulations. As of any time, the various parts of such registration statement and any post-effective amendment thereto, including all exhibits thereto, any information in a form of prospectus, prospectus supplement and/or pricing supplement that is deemed or retroactively deemed to be a part of such registration statement, as amended, pursuant to Rule 430B of the 1933 Act Regulations (which information shall be considered to be included in such registration statement, as amended, as of the time specified in Rule 430B) that has not been superseded or modified and the documents incorporated by reference therein at the time such part of such registration statement became effective, but excluding Form T-1, each as amended at the time such part of such registration statement became effective, is hereinafter collectively called the “Registration Statement.” “Registration Statement” without reference to a time means such registration statement, as amended, as of the time of the first contract of sale for the Notes of a particular tranche, which time shall be considered the “new effective date” of such registration statement, as amended, with respect to such Notes (within the meaning of Rule 430B(f)(2) of the 1933 Act Regulations).

The term “Base Prospectus” shall mean the base prospectus relating to the various debt securities of the Company, including the Notes, included in the Registration Statement, in the form in which it has most recently been filed, or transmitted for filing, with the Commission on or prior to the date of this Agreement.

The term “Prospectus” shall mean the Base Prospectus together with the prospectus supplement relating to the Notes in the form most recently filed with the Commission pursuant to Rule 424(b) of the 1933 Act Regulations prior to the date of this Agreement.

The term “Statutory Prospectus” shall mean, collectively, (i) the Prospectus and (ii) any preliminary pricing supplement used in connection with the Notes of a particular tranche, as filed by the Company with the Commission pursuant to Rule 424(b).

A “preliminary prospectus” shall be deemed to refer to any prospectus used before any acceptance by the Company of an offer for the purchase of Notes which omitted information to be included upon pricing in a form of prospectus filed with the Commission pursuant to Rule 424(b) of the 1933 Act Regulations.

“Applicable Time” means, with respect to Notes of a particular tranche, the time agreed to by the Company and the applicable Agent(s) as the time of the pricing of the Notes of that tranche, which, unless otherwise agreed, shall be the time immediately after the Company and the Agent agree on the pricing terms of such Notes.

All references to the “Registration Statement,” the “Prospectus,” the “Statutory Prospectus,” any “preliminary prospectus” or any Pricing Supplement (as defined below under Section 3(c)) shall also be deemed to include all documents incorporated therein by reference pursuant to the Securities Exchange Act of 1934, as amended (the “1934 Act”), prior to any acceptance by the Company of an offer for the purchase of Notes. For purposes of this Agreement, all references to the Registration Statement, Prospectus, the Statutory Prospectus, any preliminary prospectus, any Pricing Supplement or to any amendment or supplement thereto shall be deemed to include any copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system or any successor system (“EDGAR”).

All references in this Agreement to financial statements and schedules and other information which is “disclosed,” “contained,” “included” or “stated” (or other references of like import) in the Registration Statement, the Prospectus, the Statutory Prospectus, any preliminary prospectus or any Pricing Supplement shall be deemed to include all financial statements and schedules and other information which is incorporated by reference in the Registration Statement, the Prospectus, the Statutory Prospectus, any preliminary prospectus or any Pricing Supplement, as the case may be; and all references in this agreement to amendments or supplements to the Registration Statement, the Prospectus, the Statutory Prospectus, any preliminary prospectus or any Pricing Supplement shall be deemed to include the filing of any document under the 1934 Act which is incorporated by reference in the Registration Statement, the Prospectus, the Statutory Prospectus, any preliminary prospectus or any Pricing Supplement, as the case may be.

SECTION 1. Appointment as Agents.

(a) Appointment. Subject to the terms and conditions stated herein and subject to the reservation by the Company of the right to sell Notes directly on its own behalf or through such additional agents as it may appoint pursuant to Section 19 hereof, the Company hereby agrees that Notes will be sold exclusively to or through the Agents.

(b) Sale of Notes. The Company shall not sell or approve the solicitation of purchases of Notes in excess of the amount which shall be authorized by the Company from time to time or in excess of the principal amount of Notes registered pursuant to the Registration Statement. The Agents will have no responsibility for maintaining records with respect to the aggregate initial offering price of Notes sold, or of otherwise monitoring the availability of Notes for sale under the Registration Statement.

(c) Purchases as Principal. The Agents shall not have any obligation to purchase Notes from the Company as principal. However, absent an agreement between an Agent and the Company that such Agent shall be acting solely as an agent for the Company, such Agent shall be deemed to be acting as principal in connection with any offering of Notes by the Company through such Agent. Accordingly, the Agents, individually or in a syndicate, may agree from time to time to purchase Notes from the Company as principal for resale to investors and other purchasers determined by such Agents. Any purchase of Notes from the Company by an Agent as principal shall be made in accordance with Section 3(a) hereof.

(d) Solicitations as Agent. If agreed upon between an Agent and the Company, such Agent, acting solely as an agent for the Company and not as principal, will use its reasonable efforts to solicit purchases of Notes. Such Agent will communicate to the Company, orally or in writing, each offer for the purchase of Notes solicited by such Agent on an agency basis other than those offers rejected by such Agent. Such Agent shall have the right, in its discretion reasonably exercised, to reject any proposed purchase of Notes, in whole or in part, and any such rejection shall not be deemed a breach of its agreement contained herein. The Company may accept or reject any proposed purchase of Notes, in whole or in part. Such Agent shall make reasonable efforts to assist the Company in obtaining performance by each purchaser whose offer to purchase Notes has been solicited by such Agent on an agency basis and accepted by the Company. Such Agent shall not have any liability to the Company in the event that any such purchase is not consummated for any reason.

(e) Reliance. The Company and the Agents agree that any Notes purchased by the Agents shall be purchased, and any Notes the placement of which the Agents arrange shall be placed, by the Agents in reliance on the representations, warranties, covenants and agreements of the Company contained herein and on the terms and conditions and in the manner provided herein.

## SECTION 2. Representations and Warranties.

(a) The Company represents and warrants to each Agent as of the date hereof, as of the date of each acceptance by the Company of an offer for the purchase of Notes (whether to one or more Agents as principal or through the Agents as agents), as of the Applicable Time, as of the date of each delivery of Notes (whether to one or more Agents as principal or through the Agents as agents) (the date of each such delivery to one or more Agents as principal being hereafter referred to as a "Settlement Date"), and as of any time that the Registration Statement or the Prospectus shall be amended or supplemented (other than by an amendment or supplement providing solely for the establishment of or a change in the interest rates, maturity or price of Notes or similar changes), or there is filed with the Commission any document incorporated by reference into the Prospectus (other than any Current Report on Form 8-K relating exclusively to the issuance of debt securities under the Registration Statement other than the Notes) (each of the times referenced above being referred to herein as a "Representation Date") as follows:

(i) Registration Statement. The Registration Statement has been filed with the Commission not earlier than three years prior to the date hereof; such Registration Statement and any post-effective amendment thereto, each in the form heretofore delivered to, or to be delivered to, the Agents (excluding exhibits thereto but including all documents incorporated by reference in the Prospectus (except for statements in such documents which are deemed under Rule 412 of the 1933 Act Regulations not to be incorporated by reference in the Prospectus)), became effective on filing pursuant to Rule 462(e) of the 1933 Act Regulations; and no stop order suspending the effectiveness of the Registration Statement, any post-effective amendment thereto or any part thereof has been issued and no proceeding for that purpose has been initiated or, to the best of the knowledge of the Company, threatened by the Commission, and no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) of the 1933 Act Regulations has been received by the Company.

(ii) Prospectus. No order preventing or suspending the use of the Prospectus has been issued by the Commission, and the Prospectus, at the time of filing thereof, conformed in all material respects to the requirements of the 1933 Act and the 1933 Act Regulations, and did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that this representation and warranty shall not apply to statements in or omissions from the Prospectus made in reliance upon and in conformity with written information furnished to the Company by any Agent specifically for use therein; and each preliminary prospectus and the Prospectus delivered to the applicable Agent(s) for use in connection with the offering of Notes are identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T. The Company has filed the Prospectus pursuant to and in accordance with Rule 424(b) of the 1933 Act Regulations within the prescribed time period.

(iii) Disclosure Package. As of the Applicable Time, the Statutory Prospectus, the final term sheet relating to the Notes of a particular tranche constituting an Issuer Free Writing Prospectus (as defined below) and any Permitted Free Writing Prospectus (as defined below under Section 4(p) hereof), when considered together (collectively, the “Disclosure Package”), will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence shall not apply to statements in or omissions from the Disclosure Package in reliance upon and in conformity with written information furnished to the Company by any Agent specifically for use therein.

(iv) Issuer Free Writing Prospectus. Each “Issuer Free Writing Prospectus,” as defined in Rule 433 of the 1933 Act Regulations, relating to the Notes of a particular tranche in the form filed or required to be filed by the Company with the Commission or, if not required to be filed, in the form retained in the Company’s records pursuant to Rule 433(g) (an “Issuer Free Writing Prospectus”), as of its issue date and at all subsequent times through the completion of the public offer and sale of the Notes of the particular tranche (which completion the lead Agent(s) shall promptly communicate to the Company) or until any earlier date that the Company notified or notifies the applicable Agent(s) as described in Section 4(q) hereof, did not, does not and will not include any information that conflicted, conflicts or will conflict (within the meaning of Rule 433(c)) with the information then contained in the Registration Statement, the Statutory Prospectus or the Prospectus; and each such Issuer Free Writing Prospectus, as supplemented by and taken together with the Disclosure Package as of the Applicable Time, did not, does not and will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence shall not apply to statements in or omissions from any Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company by any Agent specifically for use therein.

(v) Well-Known Seasoned Issuer; Ineligible Issuer; Automatic Shelf. (i) (A) At the time of filing the Registration Statement, (B) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the 1933 Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the 1933 Act or form of prospectus), (C) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the 1933 Act Regulations) made any offer relating to the Notes in reliance on the exemption of Rule 163 of the 1933 Act Regulations and (D) at the date hereof, the Company was and is a “well-known seasoned issuer,” as defined in Rule 405 of the 1933 Act Regulations (“Rule 405”), including not having been and not being an “ineligible issuer” as defined in Rule 405; and the Registration Statement is an “automatic shelf registration statement,” as defined in Rule 405.

(ii) At the time of filing the Registration Statement, at the earliest time thereafter that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) of the 1933 Act Regulations) of the Notes and at the date hereof, the Company was not and is not an “ineligible issuer,” as defined in Rule 405.

(vi) Incorporated Documents. The documents incorporated by reference in the Registration Statement, the Prospectus or the Disclosure Package, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the 1933 Act or the 1934 Act, as applicable, and the rules and regulations of the Commission thereunder, and none of such documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Registration Statement, the Prospectus or the Disclosure Package or any further amendment or supplement thereto, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the 1933 Act or the 1934 Act, as applicable, and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(vii) Compliance. The Registration Statement, the Prospectus and the Disclosure Package conform, and any amendments or supplements to the Registration Statement, the Prospectus and the Disclosure Package will conform, in all material respects to the requirements of the 1933 Act, the Trust Indenture Act of 1939, as amended (the “1939 Act”) and the rules and regulations of the Commission thereunder, and do not and will not, as of the applicable effective date as to the Registration Statement and any amendment thereto and as of the applicable filing date as to the Prospectus and any amendment or supplement thereto, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The preceding sentence shall not apply to statements in or omissions from the Registration Statement, the Prospectus and the Disclosure Package made in reliance upon and in conformity with written information furnished to the Company by any Agent specifically for use therein.

(viii) No Material Changes. Since the respective dates as of which information is given in the Registration Statement, the Prospectus and the Disclosure Package, there has not been any material change in the capital stock or long-term debt of the Company or any of its Significant Subsidiaries (as defined in Rule 405 under the 1933 Act) (other than changes arising from funding activities which have not resulted in any material change in the Company’s ownership of such Significant Subsidiaries or in the long term debt of the Company and its subsidiaries taken as a whole) or any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, consolidated financial position or consolidated results of operations of the Company, otherwise than as set forth or contemplated in the Prospectus and the Disclosure Package.

(ix) Due Incorporation, Good Standing and Due Qualification of the Company and Significant Subsidiaries; Authorization of Agreements. The Company (A) has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware, with corporate power and authority to own its properties and conduct its business as described in the Prospectus and the Disclosure Package, and has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, except where the failure to be so qualified would not have a material adverse effect on the Company and its subsidiaries taken as a whole; and each Significant Subsidiary of the Company has been duly incorporated and is validly existing as a corporation and is in good standing under the laws of its jurisdiction of incorporation, (B) has or, in the case of the Indenture, had the requisite corporate power and authority to execute and deliver this Agreement, any Terms Agreement, the Indenture and the Notes and has the requisite corporate power and authority to perform its obligations hereunder and thereunder, and (C) has duly authorized, executed and delivered this Agreement and at the time of the execution of any Terms Agreement will have duly authorized, executed and delivered such Terms Agreement and this Agreement constitutes and any such Terms Agreement will constitute the valid and binding agreement of the Company.

(x) Validity of Notes. When the Notes are issued and delivered pursuant to this Agreement, such Notes will have been duly authorized, executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture; and the Indenture has been duly authorized by the Company and is duly qualified under the 1939 Act and constitutes a valid and legally binding instrument, enforceable in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium and other laws of general applicability relating to or affecting creditors' rights and to general equitable principles (regardless of whether enforcement is considered in a proceeding in equity or at law), and except further as enforcement thereof may be limited by requirements that a claim with respect to any debt securities issued under the Indenture that are payable in a foreign or composite currency (or a foreign or composite currency judgment in respect of such claim) be converted into U.S. dollars at a rate of exchange prevailing on a date determined pursuant to applicable law or by governmental authority to limit, delay or prohibit the making of payments outside the United States of America ("United States"); and the Notes and the Indenture will conform in all material respects to the descriptions thereof in the Prospectus and the Disclosure Package.

(xi) Non-Contravention. The issue and sale of the Notes by the Company and the compliance by the Company with all of the provisions of this Agreement, any Terms Agreement and the Indenture and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, which conflict, breach or default would have a material adverse effect on the consolidated financial position or consolidated results of operations of the Company, nor will such action result in (A) any violation of the provisions of the Certificate of Incorporation or By-laws of the Company or any of its subsidiaries or (B) any violation of the provisions of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties, which violation in each case would have a material adverse effect on the consolidated financial position or consolidated results of operations of the Company; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Notes or the consummation by the Company of the transactions contemplated by this Agreement, any Terms Agreement or the Indenture, except such consents, approvals, authorizations, registrations or qualifications as may be required under the 1933 Act and the 1939 Act or under state or foreign securities or Blue Sky laws.

(xii) Absence of Proceedings. Other than as set forth or contemplated in the Prospectus and the Disclosure Package, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject, which are probable to result in an adverse determination and which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the consolidated financial position or consolidated results of operations of the Company; and, to the best of the Company's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others.

(xiii) Accountants. PricewaterhouseCoopers LLP, who have certified certain financial statements of the Company and its consolidated subsidiaries, are independent registered public accountants as required by the 1933 Act, the 1933 Act Regulations and rules and regulations adopted by the Public Company Accounting Oversight Board (United States) ("PCAOB").

(xiv) Possession of Intellectual Property. The Company and its subsidiaries own or possess, or can acquire on reasonable terms, the patents, patent rights, licenses, invention, copyrights (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks and trade names presently employed by them in connection with the businesses now operated by them, except where the failure so to own or possess or have the ability to acquire would not have a material adverse effect on the consolidated financial position or consolidated results of operations of the Company, and neither the Company nor any of its subsidiaries has received any notice of infringement of or conflict with asserted rights of others with respect to any of the foregoing which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in any material adverse effect on the consolidated financial position or consolidated results of operations of the Company.

(xv) Investment Company Act. The Company is not, and upon the issuance and sale of the Notes as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus and the Disclosure Package will not be, an “investment company” within the meaning of the Investment Company Act of 1940, as amended (the “1940 Act”).

(xvi) Ratings. The Medium-Term Note Program under which the Notes are issued (the “Program”), as well as the Notes, are rated as set forth in the certificate of even date herewith delivered pursuant to Section 5(c) of this Agreement, or such other rating as to which the Company shall have most recently notified the Agents pursuant to Section 4(a) hereof.

(xiv) Sarbanes-Oxley Compliance. The Company is in material compliance with all applicable provisions of the Sarbanes-Oxley Act of 2002 and all rules and regulations promulgated thereunder or implementing the provisions thereof.

(b) Additional Certifications. Any certificate signed by any director or officer of the Company and delivered to one or more Agents or to counsel for the Agents in connection with an offering of Notes or the sale of Notes to one or more of the Agents as principal or through an Agent as agent shall be deemed a representation and warranty by the Company to such Agent or Agents as to the matters covered thereby on the date of such certificate and, to the extent contemplated by such certificate, at each Representation Date subsequent thereto.

SECTION 3. Purchases as Principals; Solicitations as Agents.

(a) Purchases as Principal. Each sale of Notes to one or more Agents as principal shall be made in accordance with the terms contained herein and, if requested by such Agent, pursuant to a separate agreement which will provide for the sale of such Notes to, and the purchase and reoffering thereof by, such Agent or Agents. Each such separate agreement (which may be an oral agreement) between one or more Agents and the Company, is herein referred to as a “Terms Agreement”. Unless the context otherwise requires, each reference contained herein to “this Agreement” shall be deemed to include any Terms Agreement between the Company and one or more Agents. Each such Terms Agreement, whether oral or in writing, shall be with respect to such information (as applicable) as is specified in Exhibit A hereto. An Agent’s commitment to purchase Notes as principal shall be deemed to have been made on the basis of the representations and warranties of the Company herein contained and shall be subject to the terms and conditions herein set forth. Each Terms Agreement shall specify the principal amount of Notes to be purchased by each Agent pursuant thereto, the price to be paid to the Company for such Notes (which, if not so specified in a Terms Agreement, shall be at a discount equivalent to the applicable commission set forth in Schedule A hereto), the time and place of delivery of and payment for such Notes, any provisions relating to rights of, and default by, purchasers acting together with the Agents in the reoffering of the Notes, and such other provisions (including further terms of the Notes) as may be mutually agreed upon. The Agents may utilize a selling or dealer group in connection with the resale of the Notes purchased. Such Terms Agreement shall also specify whether or not any of the officer’s certificate, opinions of counsel or comfort letter specified in Sections 7(b), 7(c) and 7(d) hereof shall be required to be delivered by the Company on the related Settlement Date.

(b) Solicitations as Agents. On the basis of the representations and warranties herein contained, but subject to the terms and conditions herein set forth, when agreed by the Company and an Agent, such Agent, as an agent of the Company, will use its reasonable efforts to solicit offers to purchase the Notes upon the terms and conditions set forth herein and in the Prospectus. All Notes sold through the Agents as agents will be sold at 100% of their principal amount unless otherwise agreed to by the Company and the Agents.

The Company reserves the right, in its sole discretion, to suspend solicitation of purchases of the Notes through an Agent, as an agent of the Company, commencing at any time for any period of time or permanently. As soon as practicable after receipt of instructions from the Company, such Agent will forthwith suspend solicitation of purchases from the Company until such time as the Company has advised such Agent that such solicitation may be resumed.

The Company agrees to pay each Agent a commission, in the form of a discount or otherwise as agreed to by the Company and such Agent, equal to the applicable percentage of the principal amount of each Note sold by the Company as a result of a solicitation made by such Agent, as an agent of the Company, as set forth in Schedule A hereto; provided, however, that the Company shall only be obligated to pay one such fee with respect to any particular Note so sold.

(c) Administrative Procedures. The purchase price, interest rate or formula, maturity date and other terms of the Notes shall be agreed upon by the Company and the applicable Agent(s) and set forth in a pricing supplement to the Prospectus (each, a "Pricing Supplement") to be prepared by the Company in connection with each sale of Notes. Except as may be otherwise provided in the applicable Pricing Supplement, the Notes will be issued in denominations of \$1,000 and integral multiples thereof. Administrative procedures with respect to the sale of Notes shall be agreed upon from time to time by the Agents and the Company (the "Procedures"). Each Agent and the Company agree to perform the respective duties and obligations specifically provided to be performed by them in the Procedures.

(d) Delivery of Closing Documents. The documents required to be delivered by Section 5 hereof shall be delivered at the office of Sidley Austin LLP, 787 Seventh Avenue, New York, New York, 10019, on the date hereof, or at such other time or place as the Agents and the Company may agree.

#### SECTION 4. Covenants of the Company.

The Company covenants with the Agents as follows:

(a) Notice of Certain Events. The Company will promptly notify (i) the Agents of the effectiveness of any amendment to the Registration Statement, (ii) the related Agent or Agents of the transmittal to the Commission for filing of any supplement to the Prospectus (other than an amendment or supplement which relates exclusively to an offering of debt securities under the Registration Statement other than the Notes), (iii) the Agents of the receipt of any comments from the Commission with respect to the Registration Statement or the Prospectus, (iv) the Agents of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus (other than an amendment or supplement which relates exclusively to an offering of debt securities under the Registration Statement other than the Notes) or for additional information, (v) the Agents of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose, (vi) the Agents of the issuance by the Commission of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for either such purpose, and (vii) the Agents of the issuance of any notice of objection to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) of the 1933 Act Regulations relating to the Notes. The Company will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) Notice of Certain Proposed Filings. Except as otherwise provided in subsection (k) of this Section, the Company will give the Agents notice of its intention to file any amendment or supplement to the Prospectus (other than an amendment or supplement providing solely for the establishment of or change in the interest rates, maturity or price of Notes or other similar changes or an amendment or supplement which relates exclusively to an offering of debt securities under the Registration Statement other than the Notes and other than an amendment or supplement arising through incorporation by reference), whether by the filing of documents pursuant to the 1933 Act or otherwise, and will furnish the Agents with copies of any such amendment or supplement or other documents proposed to be filed a reasonable time in advance of such proposed filing. The Company shall make no amendment or supplement to the Registration Statement, the Prospectus or the Statutory Prospectus prior to the date for the delivery of documents provided for under Section 3(d) hereof or after the date of any Terms Agreement and prior to the related Settlement Date which shall be reasonably disapproved by any Agent promptly after reasonable notice thereof unless in the opinion of counsel to the Company such amendment or supplement is required by law. In the case of the filing of any document filed pursuant to the 1934 Act, each Agent shall have the right to suspend solicitation of purchases of the Notes until such time as such Agent shall reasonably determine that solicitation of purchases should be resumed or such Agent shall subsequently enter into a new Terms Agreement with the Company, and any such suspension shall not be deemed a breach of such Agent's agreement contained herein.

(c) Copies of the Registration Statement and the Prospectus. The Company will deliver to the Agents and to counsel for the Agents as many signed and conformed copies of the Registration Statement (as originally filed) and of each amendment thereto (including exhibits filed therewith or incorporated, or deemed to be incorporated, by reference therein and documents incorporated by reference in the Prospectus) as the Agents may reasonably request. The Company will furnish to the Agents and to counsel for the Agents as many copies of the Prospectus or the Statutory Prospectus (as amended or supplemented) (other than an amendment or supplement which relates exclusively to an offering of debt securities under the Registration Statement other than the Notes) as the Agents shall reasonably request so long as the Agent is (or, but for the exemption in Rule 172, would be) required to deliver the Prospectus or Statutory Prospectus in connection with sales or solicitations of offers to purchase the Notes. The Registration Statement and each amendment thereto and the Prospectus or the Statutory Prospectus and any amendments or supplements thereto furnished to the Agents will be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) Preparation of Pricing Supplements, Final Term Sheets and Free Writing Prospectuses. The Company will prepare promptly, with respect to any Notes to be sold through or to the Agents pursuant to this Agreement, a preliminary prospectus and a Pricing Supplement and, unless otherwise notified by the applicable Agent(s), a final term sheet with respect to such Notes in a form previously approved by the Agents and file such preliminary prospectus and Pricing Supplement pursuant to and in accordance with Rule 424(b) within the prescribed time period and file such final term sheet within the period required by Rule 433(d)(5)(ii).

(e) Revisions of Prospectus — Material Changes. Except as otherwise provided in subsection (k) of this Section, if at any time during the term of this Agreement any event shall occur or condition exist as a result of which it is necessary, in the reasonable opinion of counsel to the Agents or counsel for the Company, to further amend or supplement the Prospectus or the Disclosure Package in order that the Prospectus or the Disclosure Package will not include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time the Prospectus or the Disclosure Package is (or, but for the exemption in Rule 172, would be) delivered to a purchaser, or if it shall be necessary, in the reasonable opinion of either such counsel, to amend or supplement the Registration Statement, the Prospectus or the Disclosure Package in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, immediate notice shall be given, and confirmed in writing, to the Agents to cease the solicitation of offers to purchase the Notes in the Agents' capacity as agents and to cease sales of any Notes the Agents may then own as principal, and the Company will promptly prepare and file with the Commission such amendment or supplement, whether by filing documents pursuant to the 1934 Act, the 1933 Act or otherwise, as may be necessary to correct such untrue statement or omission or to make the Registration Statement, the Prospectus or the Disclosure Package comply with such requirements.

(f) Prospectus Revisions — Periodic Financial Information. Except as otherwise provided in subsection (k) of this Section, on or prior to the date on which there shall be released to the general public interim financial statement information related to the Company with respect to each of the first three quarters of any fiscal year or preliminary financial statement information with respect to any fiscal year, the Company shall notify the Agents in writing; provided, however, that such written notification shall not be required if the Company issues a public announcement regarding such release prior to the release of such information.

(g) Earnings Statements. The Company, by complying with the provisions of Rule 158 under the 1933 Act, will make generally available to its security holders as soon as practicable, but not later than 90 days after the close of the period covered thereby, an earnings statement (in form complying with the provisions of Rule 158 under the 1933 Act) covering each twelve month period beginning, in each case, not later than the first day of the Company's fiscal quarter next following the "effective date" (as defined in such Rule 158) of the Registration Statement with respect to each sale of Notes.

(h) Blue Sky Qualifications. The Company will endeavor, in cooperation with the Agents, to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions of the United States as the Agents may designate, and will maintain such qualifications in effect for as long as may be required for the distribution of the Notes; provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation in any jurisdiction in which it is not so qualified. The Company will file such statements and reports as may be required by the laws of each jurisdiction in which the Notes have been qualified as above provided. The Company will promptly advise the Agents of the receipt by the Company of any notification with respect to the suspension of the qualification of the Notes for sale in any such state or jurisdiction or the initiating or threatening of any proceeding for such purpose.

(i) 1934 Act Filings. The Company, during the period when the Prospectus is (or, but for the exemption in Rule 172, would be) required to be delivered under the 1933 Act, will file promptly all documents required to be filed with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the 1934 Act. Such documents will comply in all material respects with the requirements of the 1934 Act and the 1934 Act Regulations and to the extent such documents are incorporated by reference in the Prospectus, when read together with the other information in or incorporated by reference into the Prospectus, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(j) Stand-Off Agreement. Between the date of any Terms Agreement and the Settlement Date with respect to such Terms Agreement, the Company will not, without the prior written consent of each Agent party to such Terms Agreement, directly or indirectly, sell, offer to sell, contract to sell or otherwise dispose of, or announce the offering of, any debt securities denominated in the same currency as the Notes to be purchased pursuant to such Terms Agreement, or any security exchangeable into such debt securities (other than the Notes that are to be sold pursuant to such Terms Agreement and commercial paper in the ordinary course of business), except as may otherwise be provided in any such Terms Agreement.

(k) Suspension of Certain Obligations. The Company shall not be required to comply with the provisions of subsections (a), (b), (c), (e), (f), (i) or (o) of this Section or the provisions of Section 7 hereof during any period from the time (i) the Agents shall have received written notification from the Company to suspend solicitation of purchases of the Notes in their capacity as agents and (ii) the earlier of the date on which no Agent shall then hold any Notes as principal and the date which is fifteen days (nine months with respect to subsections (e) and (i) of this Section) from the date on which the Agents shall have received written notice from the Company to suspend solicitation of purchases of the Notes, to the time the Company shall determine that solicitation of purchases of the Notes should be resumed or shall subsequently enter into a new Terms Agreement with the Agents.

(l) Use of Proceeds. The net proceeds from the sale of Notes will be used by the Company as described in the Prospectus and the Disclosure Package.

(m) Termination of Sale in Certain Circumstances. Any person who has agreed to purchase and pay for any Note pursuant to a solicitation by any of the Agents as an agent of the Company shall have the right to refuse to purchase such Note if, subsequent to the agreement to purchase such Note, any change, condition or development specified in any of Sections 13(b)(i) through 13(b)(v) hereof shall have occurred (with the judgment of the Agent which presented the offer to purchase such Note being substituted for any judgment of a selling Agent required therein) the effect of which is, in the judgment of the Agent which presented the offer to purchase such Note, so material and adverse as to make it impractical or inadvisable to proceed with the sale and delivery of such Note (it being understood that under no circumstances shall any such Agent have any duty or obligation to the Company or to any such person to exercise the judgment to be exercised under this Section 4(m)).

(n) Payment of Commission Filing Fees. The Company will pay the required Commission filing fees relating to each offering of Notes within the time required by Rule 456(b)(1)(i) of the 1933 Act Regulations without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the 1933 Act Regulations (including, if applicable, by updating the “Calculation of Registration Fee” table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of a prospectus filed pursuant to Rule 424(b)).

(o) Filing of New Shelf Registration Statement. Except as otherwise provided in subsection (k) of this Section, if by the third anniversary of the initial effective date of the Registration Statement (such third anniversary, the “Renewal Deadline”), any of the Notes purchased by the Agents as principal remain unsold, the Company will file, if it has not already done so and is eligible to do so, a new automatic shelf registration statement relating to the Notes, in a form reasonably satisfactory to each Agent. If at the Renewal Deadline the Company is no longer eligible to file an automatic shelf registration statement, the Company will, if it has not already done so, file a new shelf registration statement relating to the Notes, in a form reasonably satisfactory to each Agent, and will use its best efforts to cause such registration statement to be declared effective within 180 days after the Renewal Deadline. The Company will take all other action necessary or appropriate to permit the public offering and sale of the Notes to continue as contemplated in the expired registration statement relating to the Notes. References herein to the Registration Statement shall include such new automatic shelf registration statement or such new shelf registration statement, as the case may be.

(p) Offers by Issuer Free Writing Prospectuses. The Company represents and agrees that, unless it obtains the prior consent of the applicable Agent(s), and each applicable Agent represents and agrees that, unless it obtains the prior consent of the Company and the lead Agent(s), it has not made and will not make any offer relating to the Notes of the particular tranche that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission, other than a free writing prospectus containing the information contained in the final term sheet relating to such tranche of Notes. Any such free writing prospectus consented to by the Company and the lead Agent(s) is referred to herein as a “Permitted Free Writing Prospectus.” The Company represents that it has treated and agrees that it will treat each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and has complied and will comply with the requirements of Rule 433 applicable to each and every Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

(q) Notifications and Amendments Relating to Free Writing Prospectuses. If, prior to the completion of the public offer and sale of the Notes of the particular tranche (which completion the lead Agent(s) shall promptly communicate to the Company), at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information then contained in the Registration Statement, Statutory Prospectus or Prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company will promptly (i) notify the applicable Agent(s) and (ii) either (1) amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission or (2) file a report with the Commission under the 1934 Act that corrects such untrue statement or omission and notify the applicable Agent(s) that such Issuer Free Writing Prospectus shall no longer be used.

#### SECTION 5. Conditions of Obligations.

The obligations of one or more Agents to purchase Notes as principal pursuant to a Terms Agreement or otherwise, any obligation of one or more Agents to solicit offers to purchase the Notes as an agent of the Company, and the obligations of any purchasers of Notes sold through an Agent as an agent of the Company, will be subject to the accuracy as of the Representation Date of the representations and warranties in all material respects (to the extent any such representation or warranty is not otherwise qualified therein) on the part of the Company herein contained and to the accuracy of the statements of the Company’s officers made in any certificate furnished pursuant to the provisions hereof, to the performance and observance by the Company of all its covenants and agreements herein contained and to the following additional conditions precedent:

(a) Matters related to the Commission. (i) No stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued under the 1933 Act and no proceedings for that purpose shall have been instituted or shall be pending or threatened by the Commission, (ii) no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) of the 1933 Act Regulations shall have been received; (iii) the final term sheet relating to the particular tranche of Notes and any other material required to be filed by the Company pursuant to Rule 433(d) of the 1933 Act Regulations shall have been filed with the Commission within the applicable time periods described for such filings by Rule 433 and (iv) any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of counsel to the Agents.

(b) Legal Opinions. On the date hereof, the Agents shall have received the following legal opinions, dated as of the date hereof and in form and substance satisfactory to the Agents and their counsel:

(1) Opinion of Company Counsel. The opinion of Sidley Austin LLP, to the effect that:

(i) The Company is a corporation duly incorporated and is in good standing under the laws of the State of Delaware, with corporate power and authority to own its properties and conduct its business as described in the Prospectus.

(ii) The Company has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each jurisdiction in which it owns or leases real properties, or conducts any business, so as to require such qualification, except where the failure to be so qualified would not have a material adverse effect on the Company and its subsidiaries, taken as a whole.

(iii) Each Significant Subsidiary has been duly incorporated and is validly existing as a corporation in good standing under the laws of its jurisdiction of incorporation; and all of the issued shares of capital stock of each such Significant Subsidiary have been duly and validly authorized and issued, are fully paid and nonassessable, and (except for directors' qualifying shares and except as otherwise set forth in the Prospectus) are owned directly or indirectly by the Company, free and clear of all liens, encumbrances, equities or claims.

(iv) This Agreement has been duly authorized, executed and delivered by the Company.

(v) The issuance and sale of the Notes have been duly authorized by all necessary corporate action of the Company. The Notes when duly authenticated by the Trustee and issued in accordance with the provisions of this Agreement and the Indenture will be duly executed, issued and delivered and constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture and enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, fraudulent transfer and other similar laws relating to or affecting creditors' rights generally and to general equitable principles (regardless of whether enforcement is considered in a proceeding in equity or at law) including concepts of commercial reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief; and the Notes and the Indenture conform in all material respects to the descriptions thereof in the Prospectus under the captions "Description of Debt Securities" and "Description of the Notes".

(vi) The Indenture has been duly authorized, executed and delivered by the Company and constitutes a valid and legally binding agreement of the Company, enforceable against the Company in accordance with its terms, subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, fraudulent transfer and other similar laws relating to or affecting creditors' rights generally and to general equitable principles (regardless of whether enforcement is considered in a proceeding in equity or at law) including concepts of commercial reasonableness, good faith and fair dealing and the possible unavailability of specific performance or injunctive relief; and the Indenture has been duly qualified under the 1939 Act.

(vii) The issue and sale of the Notes by the Company and the compliance by the Company with all of the provisions of this Agreement, any Terms Agreement, the Indenture and the Notes, and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument known to such counsel as being material to the Company and its subsidiaries taken as a whole to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, which conflict, breach or default would have a material adverse effect on the consolidated financial position or consolidated results of operations of the Company, nor will such action result in any violation of the provisions of the Certificate of Incorporation or By-laws of the Company or any Applicable Laws or any order known to such counsel of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties, which violation in each case would have a material adverse effect on the consolidated financial position or consolidated results of operations of the Company. As used herein, the term “Applicable Laws” means those state laws of the State of New York and federal laws of the United States that, in such counsel’s experience and without independent investigation, are normally applicable to transactions of the type contemplated by this Agreement (provided that the term “Applicable Laws” shall not include federal or state securities or blue sky laws relating to disclosure or any rules or regulations thereunder (including, without limitation, the 1933 Act, the 1934 Act and the 1939 Act and the respective regulations thereunder), any antifraud or similar laws).

(viii) To such counsel’s knowledge, no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body of the United States or any state regulatory body, state administrative agency or other state governmental body of the State of New York is required under Applicable Laws or any order of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties for the issue and sale of the Notes or the consummation by the Company of the transactions contemplated by this Agreement, any Terms Agreement or the Indenture.

(ix) To such counsel's knowledge and other than as set forth or contemplated in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject that are probable to result in an adverse determination and that, if determined adversely to the Company or any of its subsidiaries, would have a material adverse effect on the consolidated financial position or the annual pre-tax consolidated results of operations of the Company; and, to the best of such counsel's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others.

(x) To such counsel's knowledge, all contracts or other documents of a character required to be filed as exhibits to the Registration Statement or required to be incorporated by reference into the Prospectus or described in the Registration Statement or the Prospectus have been filed or incorporated by reference or described as required.

(xi) The Registration Statement has become effective under the 1933 Act and, to such counsel's knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission.

(xii) The Registration Statement and the Prospectus, or any further amendments or supplements thereto made by the Company prior to the date hereof (other than the financial statements and related schedules therein and other financial data, the documents incorporated by reference therein or the Statement of Eligibility on Form T-1 of the Trustee under the Indenture, as to which such counsel need express no opinion), as of their respective effective or issue dates complied as to form in all material respects with the requirements of the 1933 Act and the applicable rules and regulations thereunder.

(xiii) The information in the Prospectus under the captions "Description of the Notes", "Description of Debt Securities", and "Certain United States Federal Income Tax Considerations" (or similar captions), to the extent that it constitutes matters of law, summaries of legal matters, documents or proceedings, or legal conclusions, has been reviewed by such counsel and is correct in all material respects.

(xiv) The documents incorporated by reference into the Registration Statement and the Prospectus or any further amendments or supplements thereto made by the Company prior to the date hereof (other than the financial statements and schedules therein and other financial data, as to which such counsel need express no opinion), at the time they were filed, complied as to form in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder.

In giving such opinion such counsel shall also state that in the course of acting as counsel to the Company in connection with the contemplated transaction, they have participated in conferences with officers and other representatives of the Company, the Company's accountants and representatives of the Agents, at which conferences the contents of the Registration Statement, the Prospectus and related matters were discussed, and they have reviewed the Registration Statement and the Prospectus and, although such counsel has not made any other independent check or verification thereof (except as set forth in paragraph 5(b)(1)(v) and 5(b)(1)(xiii) above) for the purpose of rendering the opinion and is not passing upon and does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement and Prospectus or in documents incorporated by reference therein, no facts have come to such counsel's attention that lead them to believe that the Registration Statement or any amendment thereto at the time the Registration Statement or any amendment thereto (including the filing of an Annual Report on Form 10-K with the Commission) became effective or was filed, as the case may be, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that the Prospectus or any amendment or supplement thereto as of its date, if applicable, and at the Settlement Date, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading or, if such opinion is being delivered in connection with a Terms Agreement pursuant to Section 7(c) hereof, that the Disclosure Package as of the Applicable Time or as of the date of such opinion included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except, in each case, such counsel may state that they express no belief and make no statement with respect to financial statements and schedules and other financial data included or incorporated by reference in or omitted from the Registration Statement, the Prospectus, the Disclosure Package or any Statement of Eligibility on Form T-1.

In giving the opinion required by this Section 5(b)(1), such counsel shall be entitled to rely upon opinions of local counsel and tax counsel and, in respect of matters of fact, upon certificates of officers of the Company or its subsidiaries, provided that such counsel shall state that they believe that both the Agents and such counsel are justified in relying upon such opinions and certificates.

(2) Opinion of Counsel to the Agents. The opinion of Mayer Brown LLP, counsel to the Agents, with respect to the incorporation of the Company, this Agreement, the Notes and the Indenture, and other related matters as the Agents may reasonably request, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters.

In giving such opinion Mayer Brown LLP shall additionally state that they have examined various documents and participated in conferences with representatives of the Company and its counsel and with representatives of the Agents at which times the contents of the Registration Statement, the Prospectus and related matters were discussed and, although such counsel is not passing upon and assumes no responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Prospectus or in the documents incorporated by reference therein, and are not making any representation that they have independently verified or checked the accuracy, completeness or fairness of such statements, no facts have come to such counsel's attention that cause them to believe that the Registration Statement or any amendment thereto at the time the Registration Statement or amendment (including the filing of an Annual Report on Form 10-K with the Commission) became effective or was filed, as the case may be, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or that the Prospectus or any amendment or supplement thereto as of its date, if applicable, and at the Settlement Date, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading or, if such opinion is being delivered in connection with a Terms Agreement pursuant to Section 7(c) hereof, that the Disclosure Package as of the Applicable Time or as of the date of such opinion included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except in each such case, such counsel may state that they are expressing no view as to the financial statements and related schedules or the other financial data included or incorporated by reference in or omitted from the Registration Statement, the Prospectus, the Disclosure Package or any Statement of Eligibility on Form T-1.

(c) Officers' Certificate. At the date hereof the Agents shall have received a certificate of the President or any Vice President and the chief financial, chief accounting officer or treasurer of the Company, dated as of the date hereof, to the effect that (i) since the respective dates as of which information is given in the Registration Statement and the Prospectus or since the date of any Terms Agreement, there has not been any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, consolidated financial position or consolidated results of operations of the Company and its subsidiaries, considered as one enterprise, whether or not arising in the ordinary course of business, otherwise than as set forth or contemplated in the Prospectus, (ii) the other representations and warranties of the Company contained in Section 2 hereof are true and correct with the same force and effect as though expressly made at and as of the date of such certificate, (iii) the Company has performed or complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the date of such certificate, and (iv) no stop order suspending the effectiveness of the Registration Statement has been issued and, to their knowledge, no proceedings for that purpose have been initiated or threatened by the Commission.

(d) Comfort Letter. On the date hereof, the Agents shall have received a letter from PricewaterhouseCoopers LLP, dated as of the date hereof, in form and substance satisfactory to the Agents, to the effect that:

(i) They are an independent registered public accounting firm with respect to the Company within the meaning of the 1933 Act, 1933 Act Regulations and the rules and regulations adopted by the PCAOB;

(ii) In their opinion, the consolidated financial statements and financial statement schedule(s) audited by them and incorporated by reference in the Registration Statement comply as to form in all material respects with the applicable accounting requirements of the 1933 Act and the 1933 Act Regulations and the 1934 Act and the 1934 Act Regulations;

(iii) Based upon limited procedures set forth in detail in such letter (which shall include, without limitation, the procedures specified by the PCAOB for a review of interim financial information as described in AU Section 722, Interim Financial Information, with respect to the unaudited condensed consolidated financial statements of the Company, if any, included in the Registration Statement), nothing came to their attention that caused them to believe that:

(A) any material modifications should be made to the unaudited condensed consolidated financial statements, if any, included in the Registration Statement for them to be in conformity with accounting principles generally accepted in the United States; or

(B) the unaudited condensed consolidated financial statements, if any, included in the Registration Statement do not comply as to form in all material respects with the applicable accounting requirements of the 1934 Act and the 1934 Act Regulations; or

(C) at a specified date not more than three business days prior to the date of such letter, there was any change in the capital stock, increase in consolidated long-term debt in excess of US\$100 million, or decrease in shareholders' equity (other than caused by changes in treasury stock or changes in the accumulated other comprehensive income component of shareholders' equity, including cumulative translation adjustments), in each case as compared with amounts shown in the most recent condensed consolidated balance sheet incorporated by reference in the Registration Statement, except in each case for changes, increases or decreases that the Registration Statement and the Prospectus disclose have occurred or may occur; or

(D) for the period from the date of the most recent financial statements incorporated by reference in the Registration Statement to a specified date not more than three business days prior to the date of such letter, there were any decreases, as compared with the corresponding period in the preceding year, in consolidated net sales or net income attributable to Colgate-Palmolive Company, except in each case for increases or decreases which the Registration Statement and the Prospectus disclose have occurred or may occur;

(iv) In addition to the examination referred to in their report incorporated by reference in the Registration Statement and the Prospectus, they have carried out certain other specified procedures, not constituting an audit, with respect to certain amounts, percentages and financial information which are included in the Registration Statement and the Prospectus and which are specified by the Agents, and have found such amounts, percentages and financial information to be in agreement with the relevant accounting, financial and other records of the Company and its subsidiaries identified in such letter.

(e) Other Documents. On the date hereof and on each Settlement Date with respect to any Terms Agreement, counsel to the Agents shall have been furnished with such documents and opinions as such counsel may reasonably require for the purpose of enabling such counsel to pass upon the issuance and sale of Notes as therein contemplated and related proceedings, or in order to evidence the accuracy and completeness of any of the representations and warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of Notes as herein contemplated shall be reasonably satisfactory in form and substance to the Agents and to counsel to the Agents.

If any condition specified in this Section 5 shall not have been fulfilled when and as required to be fulfilled, this Agreement (or, at the option of the Agents, any Terms Agreement) may be terminated by the Agents by notice to the Company at any time and any such termination shall be without liability of any party to any other party, except that the covenant regarding provision of an earnings statement set forth in Section 4(g) hereof, the provisions concerning payment of expenses under Section 10 hereof, the indemnity and contribution agreements set forth in Sections 8 and 9 hereof, the provisions concerning the representations, warranties and agreements to survive delivery set forth in Section 11 hereof and the provisions set forth under “Parties” of Section 16 hereof shall remain in effect.

SECTION 6. Delivery of and Payment for Notes Sold through an Agent as Agent. Delivery of Notes sold through an Agent as an agent of the Company shall be made by the Company to such Agent for the account of any purchaser only against payment therefor in immediately available funds. In the event that a purchaser shall fail either to accept delivery of or to make payment for a Note on the date fixed for settlement, the Agent shall promptly notify the Company and deliver the Note to the Company, and, if the Agent has theretofore paid the Company for such Note, the Company will promptly return such funds to the Agent. If such failure occurred for any reason other than default by the Agent in the performance of its obligations hereunder, the Company will reimburse such Agent on an equitable basis for its reasonable loss of the use of the funds for the period such funds were credited to the Company’s account.

SECTION 7. Additional Covenants of the Company.

The Company covenants and agrees with the Agents that:

(a) Reaffirmation of Representations and Warranties. Each acceptance by the Company of an offer for the purchase of Notes (whether to one or more Agents as principal or through the Agents as agents), and each delivery of Notes to one or more Agents (whether to one or more Agents as principal or through the Agents as agents), shall be deemed to be an affirmation that the representations and warranties of the Company contained in this Agreement and in any certificate theretofore delivered to the Agents pursuant hereto, to the extent contemplated by such certificate, are true and correct at the time of such acceptance or sale, as the case may be, and an undertaking that such representations and warranties will be true and correct at the time of delivery to the Agent or Agents or to the purchaser or its agent, as the case may be, of the Note or Notes relating to such acceptance or sale, as the case may be, as though made at and as of each such time (and it is understood that such representations and warranties shall relate to the Registration Statement and Prospectus as amended and supplemented to each such time).

(b) Subsequent Delivery of Certificates. Subject to the provisions of Section 4(k) hereof, each time that the Registration Statement or the Prospectus shall be amended or supplemented (other than by a supplement providing solely for the establishment of the interest rates, maturity or price of Notes or similar terms, and other than by an amendment or supplement which relates exclusively to an offering of debt securities under the Registration Statement other than the Notes), or there is filed with the Commission any document incorporated by reference into the Prospectus (other than any Current Report on Form 8-K relating exclusively to the issuance of debt securities under the Registration Statement other than the Notes) or (if required pursuant to the terms of a Terms Agreement) the Company sells Notes to one or more Agents pursuant to a Terms Agreement, if requested by the Agents or counsel to the Agents, the Company shall furnish or cause to be furnished to the Agents forthwith a certificate dated the date of filing with the Commission of such supplement or document, the date of effectiveness of such amendment, or the date of such sale, as the case may be, in form reasonably satisfactory to the Agents to the effect that the statements contained in the certificate referred to in Section 5(c) hereof which were last furnished to the Agents are true and correct at the time of such amendment, supplement, filing or sale, as the case may be, as though made at and as of such time (except that such statements shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to such time) or, in lieu of such certificate, a certificate of the same tenor as the certificate referred to in said Section 5(c), modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such certificate; provided, however, that if the Company shall determine that it does not intend to be in the market for up to three months after the date of filing of any such amendment or supplement, the Company may deliver to the Agents a notice to such effect, in which event the request of the Agents received by the Company with respect to such amendment or supplement shall be deemed withdrawn until such time as the Company notifies the Agents that it wishes to re-enter the market.

(c) Subsequent Delivery of Legal Opinions. Subject to the provisions of Section 4(k) hereof, each time that the Registration Statement or the Prospectus shall be amended or supplemented (other than by a supplement providing solely for the establishment of the interest rates, maturity or price of the Notes or similar terms or solely for the inclusion of additional financial information, and other than by an amendment or supplement which relates exclusively to an offering of debt securities under the Registration Statement other than the Notes) or there is filed with the Commission any document incorporated by reference into the Prospectus (other than any Current Report on Form 8-K) or (if required pursuant to the terms of a Terms Agreement) the Company sells Notes to one or more Agents pursuant to a Terms Agreement, if requested by the Agents or counsel to the Agents, the Company shall furnish or cause to be furnished forthwith to the Agents and to counsel to the Agents a written opinion of Sidley Austin LLP or other counsel selected by the Company and reasonably satisfactory to the Agents dated the date of filing with the Commission of such supplement or document, the date of effectiveness of such amendment, or the date of such sale, as the case may be, in form reasonably satisfactory to the Agents, of substantially the same tenor as the opinion referred to in Section 5(b)(1) hereof, but modified, as necessary, to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such opinion; or, in lieu of such opinion, counsel last furnishing such opinion to the Agents shall furnish the Agents with a letter substantially to the effect that the Agents may rely on such last opinion to the same extent as though it was dated the date of such letter authorizing reliance (except that statements in such last opinion shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such letter authorizing reliance); provided, however, that if the Company shall determine that it does not intend to be in the market for up to three months after the date of filing of any such amendment or supplement, the Company may deliver to the Agents a notice to such effect, in which event the request of the Agents received by the Company with respect to such amendment or supplement shall be deemed withdrawn until such time as the Company notifies the Agents that it wishes to re-enter the market.

(d) Subsequent Delivery of Comfort Letters. Subject to the provisions of Section 4(k) hereof, each time that (i) the Registration Statement or the Prospectus shall be amended or supplemented to include additional financial information (other than by an amendment or supplement relating solely to the issuance and/or offering of securities other than the Notes) or (ii) (if required pursuant to the terms of a Terms Agreement) the Company sells Notes to one or more Agents pursuant to a Terms Agreement, if requested by the Agents or counsel to the Agents, the Company shall cause PricewaterhouseCoopers LLP, or other independent certified public accountants reasonably satisfactory to the Agents, forthwith to furnish to the Agents a letter, dated the date of filing with the Commission or the date of effectiveness of such amendment or supplement, as applicable, or the date of such sale, as the case may be, in form reasonably satisfactory to the Agents, of substantially the same tenor as the letter referred to in Section 5(d) hereof, but modified to relate to the Registration Statement and Prospectus as amended and supplemented to the date of such letter, and with such changes as may be necessary to reflect changes in the financial statements and other information derived from the accounting records of the Company; provided, however, that the portions of the letter referred to in Section 5(d)(iv) hereof shall, unless otherwise requested by the Agents, only be provided in subsequent letters delivered in connection with the Company's filing of its Annual Report on Form 10-K.

SECTION 8. Indemnification.

(a) Indemnification of the Agents. The Company agrees to indemnify severally and hold harmless each Agent and each person, if any, who controls each Agent within the meaning of Section 15 of the 1933 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred (to the extent the party seeking such indemnity is currently required to make a payment in respect of which such indemnity is sought), arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or the Statutory Prospectus, the Prospectus, or any Issuer Free Writing Prospectus (or any amendment or supplement thereto) or the omission or alleged omission therefrom of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Company; and

(iii) against any and all reasonable expense whatsoever, as incurred (including the reasonable fees and disbursements of counsel chosen by an Agent), reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

*provided, however*, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Agent specifically for use in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Statutory Prospectus, the Prospectus, or any Issuer Free Writing Prospectus (or any amendment or supplement thereto).

(b) Indemnification of Company. Each Agent severally agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred (to the extent the party seeking such indemnity is currently required to make a payment in respect of which such indemnity is sought), but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Statutory Prospectus, the Prospectus, or any Issuer Free Writing Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by such Agent specifically for use in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Statutory Prospectus, the Prospectus, or any Issuer Free Writing Prospectus (or any amendment or supplement thereto). The Company acknowledges that the statements set forth in the third, sixth and tenth paragraphs under the heading “Plan of Distribution” of the Prospectus constitute the only information furnished in writing by any of you for inclusion in the documents referred to in the foregoing indemnity, and you confirm that such statements are correct.

(c) General. Each indemnified party shall give prompt notice to each indemnifying party of any action commenced against it in respect of which indemnity may be sought under subsection (a) and (b) of this Section, but failure to so notify an indemnifying party of such commencement shall not relieve such indemnifying party from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party may assume the defense of the indemnified party by retaining counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. In no event shall the indemnifying parties be liable for the fees and expenses of more than one counsel (in addition to any local counsel) for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances.

(d) Foreign Currency Judgments. The Company agrees to indemnify the Agents against any loss incurred by the Agents as a result of any judgment or order being given or made for the amount due under this Agreement and such judgment or order being paid in a currency (a "Judgment Currency") other than U.S. dollars as a result of any variation between (i) the rate of exchange at which U.S. dollars are converted into the Judgment Currency for the purpose of such judgment or order and (ii) the rate of exchange at which the applicable Agent is able to purchase U.S. dollars with the amount of the Judgment Currency actually received by such Agent. The foregoing indemnity shall constitute a separate and independent obligation of the Company and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

SECTION 9. Contribution.

If the indemnification provided for in Section 8 hereof is unavailable or insufficient to hold harmless an indemnified party thereunder, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in Section 8 in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and each Agent on the other from the offering of the Notes to which such loss, claim, damage or liability relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 8(c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and each Agent on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations.

The relative benefits received by the Company on the one hand and an Agent on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of Notes to which such loss, claim, damage or liability relates (before deducting expenses) received by the Company bears to the total underwriting discounts and commissions received by such Agent in connection with such Notes. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or an Agent and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission.

The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this Section 9 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this Section 9.

Notwithstanding the provisions of this Section 9, an Agent shall not be required to contribute any amount in excess of the amount by which the total price at which the Notes sold by such Agent to which such loss, claim, damage or liability relates and distributed to the public exceeds the amount of any damages which such Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. In addition, in connection with an offering of Notes purchased from the Company by two or more Agents as principal, the respective obligations of such Agents to contribute pursuant to this Section 9 are several, and not joint, in proportion to the aggregate principal amount of Notes that each such Agent has agreed to purchase from the Company.

For purposes of this Section, each person, if any, who controls an Agent within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as an Agent, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as the Company.

SECTION 10. Payment of Expenses.

The Company will pay all expenses incident to the performance of its obligations under this Agreement, including:

- (a) The preparation and filing of the Registration Statement and all amendments thereto and any preliminary prospectus, the Prospectus and any amendments or supplements thereto;
- (b) The preparation, filing and reproduction of this Agreement;
- (c) The preparation, printing, issuance and delivery of the Notes, including any fees and expenses relating to the use of book-entry notes;
- (d) The preparation, printing and distribution of each Issuer Free Writing Prospectus to investors or prospective investors.
- (e) The reasonable fees and disbursements of the Company's accountants and counsel, of the Trustee and its counsel and of any Calculation Agent;
- (f) The reasonable fees and disbursements of one counsel to the Agents incurred from time to time in connection with the transactions contemplated hereby;
- (g) The qualification of the Notes under state securities laws in accordance with the provisions of Section 4(h) hereof, including filing fees, and the reasonable fees and disbursements of counsel to the Agents in connection therewith and in connection with the preparation of any Blue Sky Survey and any Legal Investment Survey;
- (h) The printing and delivery to the Agents in quantities as hereinabove stated of copies of the Registration Statement and any amendments thereto, any preliminary prospectus and of the Prospectus and any amendments or supplements thereto;
- (i) The preparation, printing, reproducing and delivery to the Agents of copies, as reasonably requested, of the Indenture and all supplements and amendments thereto;

- (j) Any fees charged by rating agencies for the rating of the Notes;
- (k) The filing fees, if any, incurred with respect to any filing with the Financial Industry Regulatory Authority, Inc.;
- (l) Any advertising and other out-of-pocket expenses of the Agents incurred with the approval of such expense by the Company;
- (m) The cost of preparing and providing any CUSIP or other identification numbers for the Notes; and
- (n) The fees and expenses of any Depository (as defined in the Indenture) and any nominees thereof in connection with the Notes.

SECTION 11. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto or thereto, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the Agents or any controlling person of the Agents, or by or on behalf of the Company, and shall survive each delivery of and payment for any of the Notes.

SECTION 12. Default by One or More Agents.

(a) In the case of an agreement for the sale of Notes pursuant to this Agreement between the Company and more than one Agent, if any such Agent or Agents (the “Defaulting Agent(s)”) shall default in its obligation to purchase the Notes which it has agreed to purchase pursuant to this Agreement, the other Agent or Agents party to such agreement (the “Non-Defaulting Agent(s)”) may in their discretion arrange for themselves (or any of them) or another party or other parties to purchase such Notes on the terms provided by such agreement. If within thirty-six hours after such default the Non-Defaulting Agent(s) do not arrange for the purchase of such Notes, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Non-Defaulting Agent(s) to purchase such Notes on such terms. In the event that, within the respective prescribed periods, the Non-Defaulting Agent(s) notify the Company that they have so arranged for the purchase of such Notes, or the Company notifies the Non-Defaulting Agent(s) that it has so arranged for the purchase of such Notes, the Non-Defaulting Agent(s) or the Company shall have the right to postpone the Settlement Date for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments to the Registration Statement or the Prospectus which in the opinion of the Non-Defaulting Agent(s) may thereby be made necessary. The term “Agent” as used with respect to the sale of such Notes shall include any person substituted under this Section 12 (if applicable) with like effect as if such person had originally been an Agent party to this Agreement with respect to such Notes.

(b) If, after giving effect to any arrangements for the purchase of the Notes of any Defaulting Agent(s) by the Non-Defaulting Agent(s) and the Company as provided in subsection (a) above, the aggregate principal amount of such Notes which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Notes agreed to be purchased by the Defaulting Agent(s) and the Non-Defaulting Agent(s), then the Company shall have the right to require each Non-Defaulting Agent to purchase the principal amount of Notes which such Agent agreed to purchase pursuant to the agreement for the sale of such Notes and, in addition, to require each Non-Defaulting Agent to purchase its pro rata share (based on the principal amount of Notes which such Agent agreed to purchase pursuant to such agreement) of the Notes of such Defaulting Agent(s) for which such arrangements have not been made; but nothing herein shall relieve a Defaulting Agent from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Notes of any Defaulting Agent(s) by the Non-Defaulting Agent(s) and the Company as provided in subsection (a) above, the aggregate principal amount of such Notes pursuant which remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Notes agreed to be purchased by the Defaulting Agent(s) and Non-Defaulting Agent(s), or if the Company shall not exercise the right described in subsection (b) above to require Non-Defaulting Agents to purchase Notes of any Defaulting Agent(s), then the agreement of the Agents and the Company with respect to such Notes shall thereupon terminate, without liability on the part of any Non-Defaulting Agent or the Company, except that the provisions concerning the payment of expenses under Section 10 hereof and the indemnity and contribution agreements set forth in Sections 8 and 9 hereof shall remain in effect; but nothing herein shall relieve a Defaulting Agent from liability for its default.

SECTION 13. Termination.

(a) Termination of this Agreement. This Agreement (excluding any Terms Agreement) may be terminated for any reason, at any time by either the Company or the Agents on the giving of 15 days' written notice of such termination to the other party hereto; provided, however, that the termination of this Agreement by an Agent shall terminate this Agreement only between such Agent and the Company and the Company's notice of termination as to any one Agent shall terminate this Agreement only between itself and such Agent.

(b) Termination of a Terms Agreement. The Agent or Agents party to a Terms Agreement may terminate any Terms Agreement, immediately upon notice to the Company, at any time prior to the Settlement Date relating thereto (i) if there has been, since the date of such Terms Agreement or since the respective dates as of which information is given in the Registration Statement, any material change in the capital stock or long-term debt of the Company or any of its subsidiaries or any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, consolidated financial position or consolidated results of operations of the Company, whether or not arising in the ordinary course of business, or (ii) if there shall have occurred any material adverse change in the financial markets in the United States or, if such Notes are denominated and/or payable in, or indexed to, one or more foreign or composite currencies, in the international financial markets, or any outbreak or escalation of hostilities or other calamity or crisis the effect of which on the financial markets of the United States or, if such Notes are denominated and/or payable in, or indexed to, one or more foreign or composite currencies, on the international financial markets, in each case is such as to make it, in the reasonable judgment of the Agent or Agents party to such Terms Agreement (after consultation with the Company), impracticable to market the Notes subject to such Terms Agreement or enforce contracts for the sale of such Notes, or (iii) if trading in any securities of the Company has been suspended by the Commission or a national securities exchange, or if trading generally on either the American Stock Exchange or the New York Stock Exchange shall have been suspended, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices for securities have been required, by either of said exchanges or by order of the Commission or any other governmental authority, or if a banking moratorium shall have been declared by federal or New York authorities or if a banking moratorium shall have been declared by the relevant authorities in the country or countries of origin of any foreign currency or currencies in which the Notes subject to such Terms Agreement are denominated and/or payable, or (iv) if the rating assigned by any nationally recognized securities rating agency to any debt securities of the Company as of the date of any Terms Agreement shall have been lowered since that date or if any such rating agency shall have publicly announced since that date that it has placed any debt securities of the Company on what is commonly termed a “watch list” for possible downgrading, or (v) if the Prospectus, at the time it was required to be delivered to a purchaser of Notes subject to such Terms Agreement, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time of such delivery, not misleading.

(c) General. In the event of any such termination, no party will have any liability to any other party hereto, except that (i) each Agent shall be entitled to any commission earned in accordance with the third paragraph of Section 3(b) hereof, (ii) if at the time of termination (a) the Agents shall own any Notes purchased by such Agent with the intention of reselling them or (b) an offer to purchase any of the Notes has been accepted by the Company but the time of delivery to the purchaser or its agent of such Note or Notes relating thereto has not occurred, the obligations set forth in Section 5 hereof and the covenants set forth in Sections 4 and 7 hereof shall remain in effect until such Notes are so resold or delivered, as the case may be (provided, however, that, except as provided in clause (iii) below, the Company's obligations pursuant to Sections 4 and 7 hereof shall in any event terminate no later than the date that is fifteen days (nine months with respect to subsections (e) and (i) of Section 4 hereof) after the time of such termination), and (iii) the covenant set forth in Section 4(g) hereof, the indemnity and contribution agreements set forth in Sections 8 and 9 hereof, and the provisions of Sections 10, 11, 15 and 16 hereof shall remain in effect.

COLGATE-PALMOLIVE COMPANY, a Delaware corporation (the “Company”, which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to \_\_\_\_\_, or registered assigns, the Principal Amount of \_\_\_\_\_, on the Stated Maturity Date specified above (or any Redemption Date or Repayment Date, each as defined on the reverse hereof, or any earlier date of acceleration of maturity) (each such date being hereinafter referred to as the “Maturity Date” with respect to the principal repayable on such date) and to pay interest thereon (and on any overdue principal, premium and/or interest to the extent legally enforceable) at the Interest Rate per annum specified above, until the principal hereof is paid or duly made available for payment.

The Company will pay interest in arrears on each Interest Payment Date specified above (each, an “Interest Payment Date”), commencing with the first Interest Payment Date next succeeding the Original Issue Date specified above, and on the Maturity Date; provided, however, that if the Original Issue Date occurs between a Record Date (as defined below) and the next succeeding Interest Payment Date, interest payments will commence on the second Interest Payment Date next succeeding the Original Issue Date to the registered holder of this Note (the “Holder”) on the Record Date with respect to such second Interest Payment Date. Interest on this Note will be computed on the basis of a 360-day year of twelve 30-day months.

Interest on this Note will accrue from, and including, the most recent Interest Payment Date to which interest has been paid or duly provided for or, from and including, the Original Issue Date if no interest has been paid or duly provided for, to, but excluding, the next Interest Payment Date or the Maturity Date, as the case may be (each, an “Interest Period”). The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on the fifteenth calendar day (whether or not a Business Day, as defined below) immediately preceding such Interest Payment Date (the “Record Date”); provided, however, that interest payable on the Maturity Date will be payable to the Person to whom the principal hereof and premium, if any, hereon shall be payable. Any such interest not so punctually paid or duly provided for on any Interest Payment Date (“Defaulted Interest”) shall forthwith cease to be payable to the Holder at the close of business on any Record Date and, may either be paid to the Person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on a special record date (the “Special Record Date”) for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to the Holder of this Note by the Trustee not less than 10 calendar days prior to such Special Record Date or may be paid at any time in any other lawful manner, all as more fully provided for in the Indenture.

Payment of principal, premium, if any, and interest in respect of this Note due on the Maturity Date will be made in immediately available funds upon presentation and surrender of this Note (and, with respect to any applicable repayment of this Note, upon delivery of a duly completed election form as contemplated on the reverse hereof) at the office of the Trustee maintained for that purpose in the Borough of Manhattan, The City of New York, New York in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payment of interest due on any Interest Payment Date other than the Maturity Date will be made at the aforementioned office of the Trustee or, at the

option of the Company, by check mailed to the address of the person entitled thereto as such address shall appear in the Security Register maintained by the Trustee; provided, however, that a Holder of U.S.\$10,000,000 or more in aggregate principal amount of Notes (whether having identical or different terms and provisions) shall, at the option of the Company, be entitled to receive interest payments on such Interest Payment Date by wire transfer of immediately available funds if appropriate wire transfer instructions have been received in writing by the Trustee not less than 15 calendar days prior to such Interest Payment Date. Any such wire transfer instructions received by the Trustee shall remain in effect until revoked by such Holder. Notwithstanding the foregoing, if this Note is a Global Note as indicated on the face hereof, any payment may be made pursuant to the applicable procedures of the Depository.

If any Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the required payment of principal, premium, if any, and/or interest shall be made on the next succeeding Business Day with the same force and effect as if made on such Interest Payment Date or Maturity Date, as the case may be, and no interest shall accrue with respect to such payment for the period from and after such Interest Payment Date or the Maturity Date, as the case may be, to the date of such payment on the next succeeding Business Day.

As used herein, “Business Day” means, unless otherwise specified on the face hereof, any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in The City of New York; provided, however, that, with respect to non-United States dollar-denominated notes, the day is also not a day on which commercial banks are authorized or required by law, regulation or executive order to close in the Principal Financial Center (as defined below) of the country issuing the specified currency or, if the specified currency is euro, the day is also a Target Settlement Day (as defined below).

“Principal Financial Center” means, unless otherwise specified on the face hereof, the capital city of the country issuing the specified currency except, in each case, that with respect to United States dollars, Australian dollars, Canadian dollars, New Zealand dollars, South African rand and Swiss francs, the “Principal Financial Center” will be The City of New York, Sydney, Toronto, Wellington, Johannesburg and Zurich, respectively.

“Target Settlement Day” means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System or any successor is open.

Reference is hereby made to the further provisions of this Note set forth on the reverse hereof and, if so specified on the face hereof, in an Addendum hereto, which further provisions shall have the same force and effect as if set forth on the face hereof.

Notwithstanding the foregoing, if an Addendum is attached hereto or “Other/Additional Provisions” apply to this Note as specified above, this Note shall be subject to the terms set forth in such Addendum or such “Other/Additional Provisions”.

Unless the Certificate of Authentication hereon has been executed by the Trustee by manual signature of one of its authorized officers, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, Colgate-Palmolive Company has caused this Note to be duly executed by one of its duly authorized officers.

[REVERSE OF NOTE]

**COLGATE-PALMOLIVE COMPANY**  
**MEDIUM-TERM NOTE, SERIES H**  
**(Fixed Rate)**

This Note is one of a duly authorized series of debt securities (the "Debt Securities") of the Company issued and to be issued under an Indenture, dated as of November 15, 1992, as amended, modified or supplemented from time to time (the "Indenture"), between the Company and The Bank of New York Mellon (formerly known as The Bank of New York), as trustee (the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Debt Securities, and of the terms upon which the Debt Securities are, and are to be, authenticated and delivered. This Note is one of the Debt Securities of the series designated as "Medium-Term Notes, Series H, Due One Year or More From Date of Issue" (the "Notes"). All terms used but not defined in this Note or in an Addendum hereto shall have the meanings assigned to such terms in the Indenture or on the face hereof, as the case may be.

This Note is issuable only in registered form without coupons in minimum denominations of U.S. \$1,000 and integral multiples thereof or other Authorized Denomination specified on the face hereof.

Except as otherwise provided in the Indenture and as set forth below, the Notes will be issued in global form only, registered in the name of the Depositary or its nominee and ownership of the Notes shall be maintained in book-entry form by the Depositary for the accounts of participating organizations of the Depositary. If this Note is a global Note, this Note is exchangeable only if (i) the Depositary notifies the Company that it is unwilling or unable to continue as Depositary for this global Note and a successor depositary is not appointed by the Company within 60 days after the Depositary notifies the Company, (ii) the Company in its sole discretion determines that this global Note shall be exchangeable for certificated Notes of this series in registered form or (iii) an Event of Default with respect to the Notes represented hereby has occurred and is continuing.

Unless otherwise specified on the face hereof in accordance with the provisions of the following two paragraphs, this Note will not be subject to any sinking fund and will not be redeemable or repayable prior to the Stated Maturity Date.

This Note will be subject to redemption at the option of the Company on any date on or after the Initial Redemption Date, if any, specified on the face hereof, in whole or from time to time in part in increments of U.S. \$1,000 unless otherwise specified above (provided that any remaining principal amount hereof shall be at least U.S. \$1,000 unless otherwise specified above), at the Redemption Price (as defined below), together with unpaid interest accrued hereon to the date fixed for redemption (the "Redemption Date"), on written notice given to the Holder hereof (in accordance with the provisions of the Indenture) not more than 60 nor less than 30

calendar days prior to the Redemption Date. In the event of redemption of this Note in part only, a new Note of like tenor for the unredeemed portion hereof and otherwise having the same terms and provisions as this Note shall be issued by the Company in the name of the Holder hereof upon the presentation and surrender hereof.

Unless otherwise specified above, the “Redemption Price” shall be the Initial Redemption Percentage specified on the face hereof (as adjusted by the Annual Redemption Percentage Reduction, if any, specified on the face hereof ) multiplied by the principal amount of this Note to be redeemed.

This Note may be subject to repayment by the Company at the option of the Holder hereof on the Optional Repayment Date(s), if any, specified on the face hereof, in whole or in part in increments of U.S. \$1,000 (provided that any remaining principal amount hereof shall be at least U.S. \$1,000), at a repayment price equal to 100% of the principal amount to be repaid, together with unpaid interest accrued thereon to the date fixed for repayment (the “Repayment Date”). For this Note to be repaid in whole or in part at the option of the Holder hereof, the Trustee must receive at its corporate trust office not more than 60 nor less than 30 calendar days prior to the Repayment Date, this Note with the form entitled “Option to Elect Repayment” below duly completed. Exercise of such repayment option by the Holder hereof shall be irrevocable. In the event of repayment of this Note in part only, a new Note of like tenor for the unrepaid portion hereof and otherwise having the same terms and provisions as this Note shall be issued by the Company in the name of the Holder hereof upon the presentation and surrender hereof.

If the Discount Note box above is checked, the amount payable to the Holder of this Note in the event of redemption, repayment or acceleration of maturity will be equal to the sum of (i) the Issue Price specified on the face hereof (increased by any accruals of the Discount, as defined below, and reduced by any amounts of principal previously paid) and, in the event of any redemption of this Note (if applicable), multiplied by the Initial Redemption Percentage (as adjusted by the Annual Redemption Percentage Reduction, if applicable) and (ii) any unpaid interest accrued hereon to the Redemption Date, Repayment Date or date of acceleration of maturity, as the case may be. The difference between the Issue Price specified above and 100% of the principal amount of this Note is referred to herein as the “Discount”.

For purposes of determining the amount of Discount that has accrued as of any Redemption Date, Repayment Date or date of acceleration of maturity of this Note, such Discount will be accrued so as to cause the yield on the Note to be constant. The constant yield will be calculated using a 30-day month, 360-day year convention, a compounding period that, except for the Initial Period (as defined below), corresponds to the shortest period between Interest Payment Dates (with ratable accruals within a compounding period) and an assumption that the maturity of this Note will not be accelerated. If the period from the Original Issue Date to the initial Interest Payment Date (the “Initial Period”) is shorter than the compounding period for this Note, a proportionate amount of the yield for an entire compounding period will be accrued. If the Initial Period is longer than the compounding period, then such period will be divided into a regular compounding period and a short period, with the short period being treated as provided in the preceding sentence.

If an Event of Default shall occur and be continuing, the principal of the Notes may be accelerated in the manner and with the effect provided in the Indenture.

The Indenture permits the amendment thereof for specified purposes, including, among other things, curing ambiguities and correcting inconsistencies, by the Company and the Trustee without the consent of the Holders. The Indenture also permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of any series of Debt Securities to be adversely affected thereby at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of each series of Debt Securities at the time outstanding, adversely affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the outstanding Debt Securities of each series, on behalf of the Holders of Debt Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay principal, premium, if any, and interest in respect of this Note at the times, places and rate or formula, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note may be registered on the Security Register of the Company upon surrender of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes of Authorized Denominations and for the same aggregate principal amount with the same terms and provisions, will be issued by the Company to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons and, if payable in U.S. dollars, only in denominations of U.S.\$1,000 and any integral multiple of U.S. \$1,000. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series of a different authorized denomination, as required by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Holder as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary, except as required by law.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES.

Capitalized terms used herein without definition which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

If no Initial Redemption Date is specified above, this Note may not be redeemed prior to Maturity, except as may be otherwise provided under Other/Additional Provisions or in an Addendum hereto.

COLGATE-PALMOLIVE COMPANY, a Delaware corporation (the “Company”, which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay, to \_\_\_\_\_, or registered assigns, the Principal Amount of \_\_\_\_\_, on the Stated Maturity Date specified above (or any Redemption Date or Repayment Date, each as defined on the reverse hereof, or any earlier date of acceleration of maturity) (each such date being hereinafter referred to as the “Maturity Date” with respect to the principal repayable on such date) and to pay interest thereon (and on any overdue principal, premium and/or interest to the extent legally enforceable) at a rate per annum equal to the Initial Interest Rate specified above until the Initial Interest Reset Date specified above and thereafter at a rate determined in accordance with the provisions specified above and on the reverse hereof or in an Addendum hereto with respect to one or more Interest Rate Bases specified above until the principal hereof is paid or duly made available for payment.

The Company will pay interest in arrears on each Interest Payment Date specified above (each, an “Interest Payment Date”), commencing with the first Interest Payment Date next succeeding the Original Issue Date specified above, and on the Maturity Date; provided, however, that if the Original Issue Date occurs between a Record Date (as defined below) and the next succeeding Interest Payment Date, interest payments will commence on the second Interest Payment Date next succeeding the Original Issue Date to the registered holder of this Note (the “Holder”) on the Record Date with respect to such second Interest Payment Date.

Interest on this Note will accrue from, and including, the most recent Interest Payment Date to which interest has been paid or duly provided for or from, and including, the Original Issue Date if no interest has been paid or duly provided for, to, but excluding, the next Interest Payment Date or the Maturity Date, as the case may be (each, an “Interest Period”). The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on the fifteenth calendar day (whether or not a Business Day, as defined below) immediately preceding such Interest Payment Date (the “Record Date”); provided, however, that interest payable on the Maturity Date will be payable to the person to whom the principal hereof and premium, if any, hereon shall be payable. Any such interest not so punctually paid or duly provided for on any Interest Payment Date (“Defaulted Interest”) shall forthwith cease to be payable to the Holder at the close of business on any Record Date and may either be paid to the Person in whose name this Note (or one or more Predecessor Securities) is registered at the close of business on a special record date (the “Special Record Date”) for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to the Holder of this Note by the Trustee not less than 10 calendar days prior to such Special Record Date or may be paid at any time in any other lawful manner, all as more fully provided for in the Indenture.

Payment of principal, premium, if any, and interest in respect of this Note due on the Maturity Date will be made in immediately available funds upon presentation and surrender of this Note (and, with respect to any applicable repayment of this Note, upon delivery of a duly completed election form as contemplated on the reverse hereof) at the office of the Trustee maintained for that purpose in the Borough of Manhattan, The City of New York, New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Payment of interest due on any Interest Payment Date

other than the Maturity Date will be made at the aforementioned office of the Trustee or, at the option of the Company, by check mailed to the address of the person entitled thereto as such address shall appear in the Security Register maintained by the Trustee; provided, however, that a Holder of U.S.\$10,000,000 or more in aggregate principal amount of Notes (whether having identical or different terms and provisions) shall, at the option of the Company, be entitled to receive interest payments on such Interest Payment Date by wire transfer of immediately available funds if appropriate wire transfer instructions have been received in writing by the Trustee not less than 15 calendar days prior to such Interest Payment Date. Any such wire transfer instructions received by the Trustee shall remain in effect until revoked by such Holder. Notwithstanding the foregoing, if this Note is a Global Note as indicated on the face hereof, any payment may be made pursuant to the applicable procedures of the Depository.

If any Interest Payment Date other than the Maturity Date would otherwise be a day that is not a Business Day, such Interest Payment Date shall be postponed to the next succeeding Business Day, except that if EURIBOR or LIBOR is an applicable Interest Rate Basis and such Business Day falls in the next succeeding calendar month, such Interest Payment Date shall be the immediately preceding Business Day. If the Maturity Date falls on a day that is not a Business Day, the required payment of principal, premium, if any, and/or interest shall be made on the next succeeding Business Day with the same force and effect as if made on such Maturity Date, and no interest shall accrue with respect to such payment for the period from and after the Maturity Date to the date of such payment on the next succeeding Business Day.

As used herein, "Business Day" means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which commercial banks are authorized or required by law, regulation or executive order to close in The City of New York; provided, however, that with respect to non-United States dollar-denominated notes, the day is also not a day on which commercial banks are authorized or required by law, regulation or executive order to close in the Principal Financial Center (as defined below) of the country issuing the specified currency or, if the specified currency is euro, the day is also a Target Settlement Day (as defined below); provided, further, that, with respect to floating rate notes as to which LIBOR is an applicable Interest Rate Basis, the day is also a London Banking Day (as defined below) and that, with respect to floating rate notes as to which EURIBOR is an applicable Interest Rate Basis, the day is also a Target Settlement Day.

"London Banking Day" means a day on which commercial banks are open for business, including dealings in the Designated LIBOR Currency, in London.

"Principal Financial Center" means (1) the capital city of the country issuing the specified currency, or (2) the capital city of the country to which the Designated LIBOR Currency relates, except, in each case, that with respect to United States dollars, Australian dollars, Canadian dollars, Euros, New Zealand dollars, South African rand and Swiss francs, the "Principal Financial Center" will be The City of New York, Sydney, Toronto, London (solely in the case of the Designated LIBOR Currency), Wellington, Johannesburg and Zurich, respectively.

Unless otherwise set forth above or specified on the face hereof or in an Addendum hereto, "U.S. Government Securities Business Day" means any day other than a Saturday, Sunday or a day on which The Securities Industry and Financial Markets Association

recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

“Target Settlement Day” means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System, or any successor, is open.

Reference is hereby made to the further provisions of this Note set forth on the reverse hereof and, if so specified on the face hereof, in an Addendum hereto, which further provisions shall have the same force and effect as if set forth on the face hereof.

Notwithstanding the foregoing, if an Addendum is attached hereto or “Other/Additional Provisions” apply to this Note as specified above, this Note shall be subject to the terms set forth in such Addendum or such “Other/Additional Provisions”.

Unless the Certificate of Authentication hereon has been executed by the Trustee by manual signature of one of its authorized officers, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Note is issuable only in registered form without coupons in minimum denominations of U.S.\$1,000 and integral multiples thereof or other Authorized Denomination specified on the face hereof.

Except as otherwise provided in the Indenture and as set forth below, the Notes will be issued in global form only, registered in the name of the Depository or its nominee and ownership of the Notes shall be maintained in book-entry form by the Depository for the accounts of participating organizations of the Depository. If this Note is a global note, this Note is exchangeable for certificated Notes only if (i) the Depository notifies the Company that it is unwilling or unable to continue as Depository for this global Note and a successor depository is not appointed by the Company within 60 days after the Depository notifies the Company, (ii) the Company in its sole discretion determines that this global Note shall be exchangeable for certificated Notes of this series in registered form or (iii) an Event of Default with respect to the Notes represented hereby has occurred and is continuing.

Unless otherwise specified on the face hereof in accordance with the provisions of the following two paragraphs, this Note will not be subject to any sinking fund and will not be redeemable or repayable prior to the Stated Maturity Date.

This Note will be subject to redemption at the option of the Company on any date on or after the Initial Redemption Date, if any, specified on the face hereof, in whole or from time to time in part in increments of U.S.\$1,000 unless otherwise specified above (provided that any remaining principal amount hereof shall be at least U.S.\$1,000 unless otherwise specified above), at the Redemption Price (as defined below), together with unpaid interest accrued hereon to the date fixed for redemption (the “Redemption Date”), on written notice given to the Holder hereof (in accordance with the provisions of the Indenture) not more than 60 nor less than 30 calendar days prior to the Redemption Date. In the event of redemption of this Note in part only, a new Note of like tenor for the unredeemed portion hereof and otherwise having the same terms

and provisions as this Note shall be issued by the Company in the name of the Holder hereof upon the presentation and surrender hereof.

Unless otherwise specified above, the “Redemption Price” shall be the Initial Redemption Percentage specified on the face hereof (as adjusted by the Annual Redemption Percentage Reduction, if any, specified on the face hereof) multiplied by the principal amount of this Note to be redeemed.

This Note may be subject to repayment by the Company at the option of the Holder hereof on the Optional Repayment Date(s), if any, specified on the face hereof, in whole or in part in increments of U.S.\$1,000 (provided that any remaining principal amount hereof shall be at least U.S.\$1,000), at a repayment price equal to 100% of the principal amount to be repaid, together with unpaid interest accrued thereon to the date fixed for repayment (the “Repayment Date”). For this Note to be repaid in whole or in part at the option of the Holder hereof, the Trustee must receive at its corporate trust office not more than 60 nor less than 30 calendar days prior to the Repayment Date, this Note with the form thereon entitled “Option to Elect Repayment” below duly completed. Exercise of such repayment option by the Holder hereof shall be irrevocable. In the event of repayment of this Note in part only, a new Note of like tenor for the unrepaid portion hereof and otherwise having the same terms and provisions as this Note shall be issued by the Company in the name of the Holder hereof upon the presentation and surrender hereof.

If the Discount Note box is checked above, the amount payable to the Holder of this Note in the event of redemption, repayment or acceleration of maturity of this Note will be equal to the sum of (i) the Issue Price specified on the face hereof (increased by any accruals of the Discount, as defined below, and reduced by any amounts of principal previously paid) and, in the event of any redemption of this Note (if applicable), multiplied by the Initial Redemption Percentage (as adjusted by the Annual Redemption Percentage Reduction, if applicable) and (ii) any unpaid interest accrued hereon to the Redemption Date, Repayment Date or date of acceleration of maturity, as the case may be. The difference between the Issue Price specified above and 100% of the principal amount of this Note is referred to herein as the “Discount.”

For purposes of determining the amount of Discount that has accrued as of any Redemption Date, Repayment Date or date of acceleration of maturity of this Note, such Discount will be accrued so as to cause an assumed yield on the Note to be constant. The assumed constant yield will be calculated using a 30-day month, 360-day year convention, a compounding period that, except for the Initial Period (as defined below), corresponds to the shortest period between Interest Payment Dates (with ratable accruals within a compounding period), a coupon rate equal to the initial interest rate applicable to this Note and an assumption that the maturity of this Note will not be accelerated. If the period from the Original Issue Date to the initial Interest Payment Date (the “Initial Period”) is shorter than the compounding period for this Note, a proportionate amount of the yield for an entire compounding period will be accrued. If the Initial Period is longer than the compounding period, then such period will be divided into a regular compounding period and a short period, with the short period being treated as provided in the preceding sentence.

The interest rate borne by this Note will be determined as follows:

(i) Unless the Interest Category of this Note is specified on the face hereof as a “Floating Rate/Fixed Rate Note” or an “Inverse Floating Rate Note” or the face hereof specifies that either “Other/Additional Provisions” or an Addendum hereto applies, in each case, relating to a different interest rate formula, this Note shall be designated as a “Regular Floating Rate Note” and, except as set forth below or specified on the face hereof or in an Addendum hereto, shall bear interest at the rate determined by reference to the applicable Interest Rate Basis or Bases (a) plus or minus the Spread, if any, and/or (b) multiplied by the Spread Multiplier, if any, in each case as specified on the face hereof. Commencing on the Initial Interest Reset Date, the rate at which interest on this Note shall be payable shall be reset as of each Interest Reset Date specified on the face hereof; provided, however, that the interest rate in effect for the period, if any, from the Original Issue Date to, but excluding, the Initial Interest Reset Date shall be the Initial Interest Rate.

(ii) If the Interest Category of this Note is specified on the face hereof as a “Floating Rate/Fixed Rate Note”, then, except as set forth below or specified on the face hereof or in an Addendum hereto, this Note shall bear interest at the rate determined by reference to the applicable Interest Rate Basis or Bases (a) plus or minus the Spread, if any, and/or (b) multiplied by the Spread Multiplier, if any, in each case as specified on the face hereof. Commencing on the Initial Interest Reset Date, the rate at which interest on this Note shall be payable shall be reset as of each Interest Reset Date; provided, however, that (y) the interest rate in effect for the period from the Original Issue Date to, but excluding, the Initial Interest Reset Date shall be the Initial Interest Rate and (z) the interest rate in effect for the period commencing on, and including, the Fixed Rate Commencement Date specified on the face hereof to the Maturity Date shall be the Fixed Interest Rate specified on the face hereof or, if no such Fixed Interest Rate is specified, the interest rate in effect hereon on the day immediately preceding the Fixed Rate Commencement Date.

(iii) If the Interest Category of this Note is specified on the face hereof as an “Inverse Floating Rate Note”, then, except as set forth below or specified on the face hereof or in an Addendum hereto, this Note shall bear interest at the Fixed Interest Rate minus the rate determined by reference to the applicable Interest Rate Basis or Bases (a) plus or minus the Spread, if any, and/or (b) multiplied by the Spread Multiplier, if any, in each case as specified on the face hereof; provided, however, that the interest rate hereon shall not be less than zero percent. Commencing on the Initial Interest Reset Date, the rate at which interest on this Note shall be payable shall be reset as of each Interest Reset Date; provided, however, that the interest rate in effect for the period from the Original Issue Date to, but excluding, the Initial Interest Reset Date shall be the Initial Interest Rate.

Except as set forth above or specified on the face hereof or in an Addendum hereto, the interest rate in effect on each day shall be (i) if such day is an Interest Reset Date, the interest rate determined as of the Interest Determination Date (as defined below) immediately preceding such Interest Reset Date or (ii) if such day is not an Interest Reset Date, the interest rate determined as of the Interest Determination Date immediately preceding the most recent Interest Reset Date; provided, however, that the interest rate in effect for the period, if any, from the Original Issue Date to, but excluding, the Initial Interest Reset Date shall be the Initial Interest

Rate. If any Interest Reset Date would otherwise be a day that is not a Business Day, such Interest Reset Date shall be postponed to the next succeeding Business Day, except that if EURIBOR or LIBOR is an applicable Interest Rate Basis and such Business Day falls in the next succeeding calendar month, such Interest Reset Date shall be the immediately preceding Business Day. In addition, if the Treasury Rate is an applicable Interest Rate Basis and the Interest Determination Date would otherwise fall on an Interest Reset Date, then such Interest Reset Date will be postponed to the next succeeding Business Day.

The interest rate applicable to each Interest Reset Period commencing on the related Interest Reset Date will be determined by the Calculation Agent as of the applicable Interest Determination Date and will be calculated by the Calculation Agent on or prior to the Calculation Date (as defined below). The determination of any interest rate by the Calculation Agent will be final and binding absent manifest error. The “Interest Determination Date” with respect to the Commercial Paper Rate shall be the second Business Day immediately preceding the applicable Interest Reset Date; the “Interest Determination Date” with respect to the CMT Rate shall be the second U.S. Government Securities Business Day immediately preceding the applicable Interest Reset Date; the “Interest Determination Date” with respect to the Prime Rate shall be the Business Day immediately preceding the applicable Interest Reset Date; the “Interest Determination Date” with respect to the Eleventh District Cost of Funds Rate shall be the last Business Day of the month immediately preceding the applicable Interest Reset Date on which the Federal Home Loan Bank of San Francisco (the “FHLB of San Francisco”) publishes the Index (as defined below); the “Interest Determination Date” with respect to the Federal Funds Rate shall be the applicable Interest Reset Date; the “Interest Determination Date” with respect to LIBOR shall be the second London Banking Day immediately preceding the applicable Interest Reset Date, unless the Designated LIBOR Currency is the British pounds sterling, in which case the Interest Determination Date will be the applicable Interest Reset Date; and the Interest Determination Date with respect to EURIBOR shall be the second Target Settlement Day immediately preceding the applicable Interest Reset Date. The “Interest Determination Date” with respect to the Treasury Rate shall be the day in the week in which the applicable Interest Reset Date falls on which day Treasury Bills (as defined below) are normally auctioned (i.e., Treasury Bills are normally sold at an auction held on Monday of each week, unless such Monday is a legal holiday, in which case the auction is normally held on the immediately succeeding Tuesday, except that such auction may be held on the preceding Friday) or, if no auction is held for a particular week, the first Business Day of that week; provided, however, that if an auction is held on the Friday of the week preceding the applicable Interest Reset Date, the “Interest Determination Date” shall be such preceding Friday; provided, further that if the Interest Determination Date would otherwise fall on an Interest Reset Date, then such Interest Reset Date will be postponed to the next succeeding Business Day. If the interest rate of this Note is determined with reference to two or more Interest Rate Bases specified on the face hereof, the “Interest Determination Date” pertaining to this Note shall be the most recent Business Day which is at least two Business Days prior to the applicable Interest Reset Date on which each Interest Rate Basis is determinable. Each Interest Rate Basis shall be determined as of such date, and the applicable interest rate shall take effect on the related Interest Reset Date.

Subject to applicable provisions of law, and unless otherwise specified on the face hereof or in an Addendum hereto, the rate with respect to each Interest Rate Basis will be determined in accordance with the applicable provisions below.

CMT Rate. If an Interest Rate Basis for this Note is specified on the face hereof as the CMT Rate, the CMT Rate shall be determined as of the applicable Interest Determination Date (a “CMT Rate Interest Determination Date”) in accordance with the following provisions:

(i) if Reuters Page FRBCMT (as defined below) is specified above, the percentage equal to the yield for United States Treasury securities at “constant maturity” having the Index Maturity specified on the face hereof published in H.15(519) under the caption “Treasury constant maturities”, as the yield is displayed on Reuters, (“Reuters”) (or any successor service) on page FRBCMT, or any other page as may that specified page on that service (“Reuters Page FRBCMT”) or, if not displayed on Reuters, as displayed on the Bloomberg L.P. (“Bloomberg”) service (or any successor service) on page NDX 7 (or any other page as may replace the specified page on that service) (“Bloomberg Page NDX 7”), for such CMT Rate Interest Determination Date. If such rate does not appear on Reuters Page FRBCMT or Bloomberg Page NDX 7, as the case may be, the CMT Rate on such CMT Rate Interest Determination Date will be the percentage equal to the yield for United States Treasury securities at “constant maturity” having the Index Maturity specified on the face hereof and for such CMT Rate Interest Determination Date published in H.15(519) under the caption “Treasury constant maturities”. If such rate does not appear in H.15(519), the CMT Rate on such CMT Rate Interest Determination Date will be the rate on such CMT Rate Interest Determination Date for the period of the Index Maturity specified on the face hereof as may then be published by either the Federal Reserve System Board of Governors or the United States Department of the Treasury that the Calculation Agent determines to be comparable to the rate which would otherwise have been published in H.15(519). If the Federal Reserve System Board of Governors or the United States Department of the Treasury does not publish a yield on United States Treasury securities at “constant maturity” having the Index Maturity specified on the face hereof for such CMT Rate Interest Determination Date, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be a yield to maturity based on the arithmetic mean of the secondary market bid prices at approximately 3:30 P.M., New York City time, on such CMT Rate Interest Determination Date of three leading primary United States government securities dealers in The City of New York (each, a “Reference Dealer”) selected by the Calculation Agent from five Reference Dealers and eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest) for United States Treasury securities with an original maturity equal to the Index Maturity specified on the face hereof, a remaining term to maturity no more than one year shorter than the Index Maturity specified on the face hereof and in a principal amount that is representative for a single transaction in such securities in such market at such time. If fewer than five but more than two such prices are provided as requested, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be based on the arithmetic mean of the bid prices obtained and neither the highest nor the lowest of such quotations will be eliminated. If fewer than three prices are provided as requested, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be a yield to maturity based on the arithmetic mean of the secondary market bid prices as of approximately 3:30 P.M., New York City time, on such CMT Rate Interest Determination Date of three Reference Dealers selected by the Calculation Agent from five Reference Dealers selected by the Calculation Agent and eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest) for United States Treasury securities with an original maturity longer than the Index Maturity specified on the face hereof, a remaining term to maturity closest to the Index Maturity

specified on the face hereof, and in a principal amount that is representative for a single transaction in such securities in such market at such time. If fewer than five but more than two such prices are provided as requested, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be based on the arithmetic mean of the bid prices obtained and neither the highest nor the lowest of the quotations will be eliminated; provided, however, that if fewer than three such prices are provided as requested, the CMT Rate determined as of such CMT Rate Interest Determination Date will be the CMT Rate in effect on such CMT Rate Interest Determination Date. If two such United States Treasury securities with an original maturity longer than the Index Maturity specified on the face hereof have remaining terms to maturity equally close to the Index Maturity specified on the face hereof, the quotes for the Treasury security with the shorter original term to maturity will be used.

(ii) if Reuters Page FEDCMT (as defined below) is specified above, the percentage equal to the one-week or one-month, as specified above, average yield for United States Treasury securities at “constant maturity” having the Index Maturity specified on the face hereof published in H.15(519) under the caption “Treasury constant maturities”, as such yield is displayed on Reuters (or any successor service) on page FEDCMT, or any other page as may replace that specified page on that service (“Reuters Page FEDCMT”) or, if not so displayed on Reuters, as displayed on the Bloomberg service (or any successor service) on Bloomberg Page NDX 7, for the week or month, as applicable, ended immediately preceding the week or month, as applicable, in which such CMT Rate Interest Determination Date falls. If such rate does not appear on the Reuters Page FEDCMT or Bloomberg Page NDX 7, as the case may be, the CMT Rate on such CMT Rate Interest Rate Determination Date will be the percentage equal to the one-week or one-month, as specified above, average yield for United States Treasury securities at “constant maturity” having the Index Maturity specified on the face hereof and for the week or month, as applicable, preceding such CMT Rate Interest Determination Date published in H.15(519) opposite the caption “Treasury constant maturities”. If such rate does not appear in H.15(519), the CMT Rate on such CMT Rate Interest Determination Date will be the one-week or one-month, as specified above, average yield for United States Treasury securities at “constant maturity” having the Index Maturity specified on the face hereof as otherwise announced by the Federal Reserve Bank of New York for the week or month, as applicable, ended immediately preceding the week or month, as applicable, in which such CMT Rate Interest Determination Date falls. If the one-week or one-month, as specified above, average yield on United States Treasury securities at “constant maturity” having the Index Maturity specified on the face hereof for the applicable week or month is not published, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be a yield to maturity based on the arithmetic mean of the secondary market bid prices at approximately 3:30 P.M., New York City time, on such CMT Rate Interest Determination Date of three Reference Dealers selected by the Calculation Agent from five such Reference Dealers selected by the Calculation Agent and eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest) for United States Treasury securities with an original maturity equal to the Index Maturity specified on the face hereof, a remaining term to maturity of no more than 1 year shorter than the Index Maturity specified on the face hereof and in a principal amount that is representative for a single transaction in such securities in such market at such time. If fewer than five but more than two such prices are provided as requested, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be based on the arithmetic mean of the bid prices obtained and neither the highest nor the lowest of such quotations will be eliminated. If fewer

than three prices are provided as requested, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be a yield to maturity based on the arithmetic mean of the secondary market bid prices as of approximately 3:30 P.M., New York City time, on such CMT Rate Interest Determination Date of three Reference Dealers selected by the Calculation Agent from five Reference Dealers selected by the Calculation Agent and eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest) for United States Treasury securities with an original maturity longer than the Index Maturity specified on the face hereof, a remaining term to maturity closest to the Index Maturity specified on the face hereof and in a principal amount that is representative for a single transaction in such securities in such market at such time. If fewer than five but more than two such prices are provided as requested, the CMT Rate on such CMT Rate Interest Determination Date will be calculated by the Calculation Agent and will be based on the arithmetic mean of the bid prices obtained and neither the highest or the lowest of such quotations will be eliminated; provided, however, that if fewer than three such prices are provided as requested, the CMT Rate determined as of such CMT Rate Interest Determination Date will be the CMT Rate in effect on such CMT Rate Interest Determination Date. If two such United States Treasury securities with an original maturity longer than the Index Maturity specified on the face hereof have remaining terms to maturity equally close to the Index Maturity specified on the face hereof, the quotes for the United States Treasury security with the shorter original remaining term to maturity will be used.

Commercial Paper Rate. If an Interest Rate Basis for this Note is specified on the face hereof as the Commercial Paper Rate, the Commercial Paper Rate shall be determined as of the applicable Interest Determination Date (a “Commercial Paper Rate Interest Determination Date”) as the Money Market Yield (as defined below) on such date of the rate for commercial paper having the Index Maturity specified on the face hereof published in H.15(519) under the caption “Commercial Paper-Nonfinancial” or, if not so published by 3:00 P.M., New York City time, on the related Calculation Date, the Money Market Yield of the rate on such Commercial Paper Rate Interest Determination Date for commercial paper having the Index Maturity specified on the face hereof published in H.15 Daily Update, or other recognized electronic source used for the purpose of displaying such rate, under the caption “Commercial Paper-Nonfinancial.” If such rate is not so published in H.15(519), H.15 Daily Update or another recognized electronic source by 3:00 P.M., New York City time, on such Calculation Date, then the Commercial Paper Rate on such Commercial Paper Rate Interest Determination Date will be calculated by the Calculation Agent and shall be the Money Market Yield of the arithmetic mean of the offered rates at approximately 11:00 A.M., New York City time, on such Commercial Paper Rate Interest Determination Date of three leading dealers of United States dollar commercial paper in The City of New York selected by the Calculation Agent for commercial paper having the Index Maturity specified on the face hereof placed for industrial issuers whose bond rating is “Aa”, or the equivalent, from a nationally recognized statistical rating organization; provided, however, that if the dealers so selected by the Calculation Agent are not quoting as mentioned in this sentence, the Commercial Paper Rate determined as of such Commercial Paper Rate Interest Determination Date will be the Commercial Paper Rate in effect on such Commercial Paper Rate Interest Determination Date.

“Money Market Yield” means a yield (expressed as a percentage) calculated in accordance with the following formula:

$$\text{Money Market Yield} = \frac{D \times 360}{360 - (D \times M)} \times 100$$

where “D” refers to the applicable per annum rate for commercial paper quoted on a bank discount basis and expressed as a decimal, and “M” refers to the actual number of days in the applicable Interest Reset Period.

Eleventh District Cost of Funds Rate. If an Interest Rate Basis for this Note is specified on the face hereof as the Eleventh District Cost of Funds Rate, the Eleventh District Cost of Funds Rate shall be determined as of the applicable Interest Determination Date (an “Eleventh District Cost of Funds Rate Interest Determination Date”) as the rate equal to the monthly weighted average cost of funds for the calendar month immediately preceding the month in which such Eleventh District Cost of Funds Rate Interest Determination Date falls, as set forth under the caption “11TH District” on the display on Reuters (or any successor service) on page COFI/ARMS or any other page as may replace that specified page on such service (“Reuters Page COFI/ARMS”) or, if not so displayed on Reuters, as displayed on the Bloomberg service (or any successor service) on page ALLX COF (or any other page as may replace the specified page on that service) (“Bloomberg Page ALLX COF”), in each case as of 11:00 A.M., San Francisco time, on such Eleventh District Cost of Funds Rate Interest Determination Date. If such rate does not appear on Reuters Page COFI/ARMS or Bloomberg Page ALLX COF, as the case may be, on such Eleventh District Cost of Funds Rate Interest Determination Date, then the Eleventh District Cost of Funds Rate on such Eleventh District Cost of Funds Rate Interest Determination Date shall be the monthly weighted average cost of funds paid by member institutions of the Eleventh Federal Home Loan Bank District that was most recently announced (the “Index”) by the FHLB of San Francisco as such cost of funds for the calendar month immediately preceding such Eleventh District Cost of Funds Rate Interest Determination Date. If the FHLB of San Francisco fails to announce the Index on or prior to such Eleventh District Cost of Funds Rate Interest Determination Date for the calendar month immediately preceding such Eleventh District Cost of Funds Rate Interest Determination Date, the Eleventh District Cost of Funds Rate determined as of such Eleventh District Cost of Funds Rate Interest Determination Date will be the Eleventh District Cost of Funds Rate in effect on such Eleventh District Cost of Funds Rate Interest Determination Date.

EURIBOR. If an Interest Rate Basis for this Note is specified on the face hereof as EURIBOR, EURIBOR shall be determined as of the applicable Interest Determination Date (a “EURIBOR Interest Determination Date”) as (i) the rate for deposits in euros as sponsored, calculated and published jointly by the European Banking Federation and ACI - The Financial Market Association, or any company established by the joint sponsors for purposes of compiling and publishing those rates, having the Index Maturity specified on the face hereof, commencing on the applicable Interest Reset Date, as that rate appears on Reuters (or any successor service) on page EURIBOR01, or any other page as may replace that specified page on that service (“Reuters Page EURIBOR01”) as of 11:00 A.M., Brussels time, on such EURIBOR Interest Determination Date, or (ii) if the rate referred to in clause (i) does not appear on Reuters Page EURIBOR01, or is not so published by 11:00 A.M., Brussels time, on such EURIBOR Interest Determination Date, the rate calculated by the Calculation Agent as the arithmetic mean of at least two quotations obtained by the Calculation Agent after requesting the principal Euro-zone (as defined below) offices of four major reference banks in the Euro-zone interbank market to provide the Calculation Agent with its offered quotation for deposits in euros for the period of the Index Maturity specified on the face hereof, commencing on the applicable Interest Reset Date, to prime banks in the Euro-zone interbank market at approximately 11:00 A.M., Brussels time, on such EURIBOR Interest Determination Date and in a principal amount not less than the equivalent of U.S. \$1 million in euros that is representative for a single transaction in euro in that market at that time, or (iii) if fewer than two quotations referred to in clause (ii) are so provided, the rate on such EURIBOR Interest Determination Date calculated by the Calculation Agent as the arithmetic mean of the rates quoted at approximately 11:00 A.M., Brussels

time, on such EURIBOR Interest Determination Date by four major banks in the Euro-zone for loans in euro to leading European banks, having the Index Maturity specified on the face hereof, commencing on the applicable Interest Reset Date and in a principal amount not less than the equivalent of U.S. \$1 million in euros that is representative for a single transaction in euros in that market at that time, or (iv) if the banks so selected by the Calculation Agent are not quoting as mentioned in clause (iii), EURIBOR in effect on such EURIBOR Interest Determination Date.

“Euro-zone” means the region comprised of member states of the European Union that adopt the single currency in accordance with the treaty establishing the European Community, as amended by the treaty on the European Union.

Federal Funds Rate. If an Interest Rate Basis for this Note is specified on the face hereof as the Federal Funds Rate, the Federal Funds Rate shall be determined as of the applicable Interest Determination Date (a “Federal Funds Rate Interest Determination Date”) in accordance with the following provisions:

(1) if “Federal Funds (Effective) Rate” is specified on the face hereof, the Federal Funds Rate determined as of the applicable Federal Funds Rate Interest Determination Date shall be:

(a) the rate on such date for United States dollar federal funds as published in H.15(519) under the heading “Federal funds (effective),” and that is displayed on Reuters, or any successor service, on page FEDFUNDS1 or any other page as may replace that specified page on that service (“Reuters Page FEDFUNDS1”) under the heading “EFFECT”, or

(b) if such rate does not appear on Reuters Page FEDFUNDS1 or is not so published by 3:00 P.M., New York City time, on the related Calculation Date, the rate with respect to such Federal Funds Rate Interest Determination Date for United States dollar federal funds as published in H.15 Daily Update, or such other recognized electronic source used for the purpose of displaying the applicable rate, opposite the caption “Federal funds (effective)”, or

Determination Date will be the Federal Funds Rate in effect on such Federal Funds Rate Interest Determination Date.

(2) if “Federal Funds Open Rate” is specified on the face hereof, the Federal Funds Rate determined as of the applicable Federal Funds Rate Interest Determination Date shall be:

(a) the rate on such date under the heading “Federal Funds” for the Index Maturity specified on the face hereof and opposite the caption “Open” as such rate is displayed on Reuters, or any successor service, on page 5 or any other page as may replace that specified page on that service (“Reuters Page 5”), or

(b) if such rate does not appear on Reuters Page 5 or is not so published by 3:00 P.M., New York City time, on the related Calculation Date, the rate with respect to such Federal Funds Rate Interest Determination Date displayed on the FFPREBON Index Page on the Bloomberg service, which is the Fed Funds Opening Rate as reported by Prebon Yamane (or its successor) on Bloomberg, or

(c) if such rate does not appear on the FFPREBON Index page on Bloomberg or another recognized electronic source or is not so published by 3:00 P.M., New York City time, on the related Calculation Date, the rate on such Federal Funds Rate Interest Determination Date calculated by the Calculation Agent as the arithmetic mean of the rates for the last transaction in overnight United States dollar federal funds arranged by three leading brokers of United States dollar federal funds transactions in The City of New York selected by the Calculation Agent, before 9:00 A.M., New York City time on such Federal Funds Rate Interest Determination Date, provided, however, that if the brokers so selected by the Calculation Agent are not quoting as mentioned in this sentence, the Federal Funds Rate determined as of such Federal Funds Rate Interest Determination Date will be the Federal Funds Rate in effect on such Federal Funds Rate Interest Determination Date.

(3) if “Federal Funds Target Rate” is specified on the face hereof, the Federal Funds Rate determined as of the applicable Federal Funds Rate Interest Determination Date shall be:

quoting as mentioned in this sentence, the Federal Funds Rate determined as of such Federal Funds Rate Interest Determination Date will be the Federal Funds Rate in effect on such Federal Funds Rate Interest Determination Date.

LIBOR. If an Interest Rate Basis for this Note is specified on the face hereof as LIBOR, LIBOR shall be determined by the Calculation Agent as of the applicable Interest Determination Date (a “LIBOR Interest Determination Date”) in accordance with the following provisions:

(i) LIBOR will be the rate for deposits in the Designated LIBOR Currency having the Index Maturity specified on the face hereof, commencing on the applicable Interest Reset Date, that appears on the Designated LIBOR Page (as defined below) as of 11:00 A.M., London time, on such LIBOR Interest Determination Date; or if no such rate so appears, LIBOR on such LIBOR Interest Determination Date will be determined in accordance with the provisions described in clause (ii) below.

(ii) With respect to a LIBOR Interest Determination Date on which no rate appears on the Designated LIBOR Page as specified in clause (i) above, or is not so published by 11:00 A.M., London time, the Calculation Agent shall request the principal London offices of each of four major reference banks in the London interbank market, as selected by the Calculation Agent, to provide the Calculation Agent with its offered quotation for deposits in the Designated LIBOR Currency for the period of the Index Maturity specified on the face hereof, commencing on the applicable Interest Reset Date immediately following such Interest Determination Date, to prime banks in the London interbank market at approximately 11:00 A.M., London time, on such LIBOR Interest Determination Date and in a principal amount that is representative for a single transaction in the Designated LIBOR Currency in such market at such time. If at least two such quotations are so provided, then LIBOR on such LIBOR Interest Determination Date will be the arithmetic mean of such quotations. If fewer than two such quotations are so provided, then LIBOR on such LIBOR Interest Determination Date as calculated by the Calculation Agent will be the arithmetic mean of the rates quoted at approximately 11:00 A.M., London time, in the applicable Principal Financial Center, on such LIBOR Interest Determination Date by three major banks in such Principal Financial Center selected by the Calculation Agent for loans in the Designated LIBOR Currency to leading European banks, having the Index Maturity specified on the face hereof, commencing on the applicable Interest Reset Date immediately following such Interest Determination Date, and in a principal amount that is representative for a single transaction in the Designated LIBOR Currency in such market at such time; provided, however, that if the banks so selected by the Calculation Agent are not quoting as mentioned in this sentence, LIBOR determined as of such LIBOR Interest Determination Date shall be LIBOR in effect on such LIBOR Interest Determination Date.

“Designated LIBOR Currency” means the currency specified on the face hereof as to which LIBOR shall be calculated or, if no such currency is specified on the face hereof, United States dollars.

“Designated LIBOR Page” means (a) if “Reuters Page LIBOR01” or “LIBOR01” is specified on the face hereof, the display on Reuters (or any successor service) on page LIBOR01 or any page as may replace that specified page on that service, for the purpose of displaying the London interbank rates of major banks for the Designated LIBOR Currency, or (b) if “Reuters Page LIBOR02” or “LIBOR02” is specified on the face hereof, the display on Reuters (or any successor service) on page LIBOR02, or any page as may replace that specified page on that

service, for the purpose of displaying the London interbank rates of major banks for the Designated LIBOR Currency.

Prime Rate. If an Interest Rate Basis for this Note is specified on the face hereof as the Prime Rate, the Prime Rate shall be determined as of the applicable Interest Determination Date (a “Prime Rate Interest Determination Date”) as the rate on such date as such rate is published in H.15(519) opposite the caption “Bank prime loan” or, if not published by 3:00 P.M., New York City time, on the related Calculation Date, the rate on such Prime Rate Interest Determination Date published in H.15 Daily Update, or other recognized electronic source used for the purpose of displaying such rate, opposite the caption “Bank prime loan”, or if such rate is not so published in H.15(519), H.15 Daily Update or another recognized electronic source by 3:00 P.M., New York City time, on the related Calculation Date, the Prime Rate determined as of such Prime Rate Interest Determination Date shall be calculated by the Calculation Agent as the arithmetic mean of the rates of interest publicly announced by each bank that appears on the Reuters Page USPRIME1 (as defined below) as such bank’s prime rate or base lending rate as of 11:00 A.M., New York City time, on such Prime Rate Interest Determination Date. If fewer than four such rates so appear on the Reuters Page USPRIME1 by 3:00 P.M., New York City time, on the related Calculation Date, then the Prime Rate determined as of such Prime Rate Interest Determination Date shall be calculated by the Calculation Agent as the arithmetic mean of the prime rates or base lending rates quoted on the basis of the actual number of days in the year divided by a 360-day year as of the close of business on such Prime Rate Interest Determination Date by three major banks in The City of New York selected by the Calculation Agent; provided, however, that if the banks so selected by the Calculation Agent are not quoting as mentioned in this sentence, the Prime Rate determined as of such Prime Rate Interest Determination Date will be the Prime Rate in effect on such Prime Rate Interest Determination Date.

“Reuters Page USPRIME1” means the display on Reuters (or any successor service) on the page USPRIME1 (or any other page as may replace that specified page on that service) for the purpose of displaying prime rates or base lending rates of major United States banks.

Treasury Rate. If an Interest Rate Basis for this Note is specified on the face hereof as the Treasury Rate, the Treasury Rate shall be determined as of the applicable Interest Determination Date (a “Treasury Rate Interest Determination Date”) as the rate from the auction held on such Treasury Rate Interest Determination Date (the “Auction”) of direct obligations of the United States (“Treasury Bills”) having the Index Maturity specified on the face hereof under the caption “INVEST RATE” on the display on Reuters (or any successor service) on page USAUCTION 10, or any other page as may replace that specified page on that service (“Reuters Page USAUCTION 10”) or page USAUCTION 11, or any other page as may replace that specified page on that service (“Reuters Page USAUCTION 11”) or, if not so displayed on Reuters, as displayed on the Bloomberg service (or any successor service) on page AUCTION 18 (or any other page as may replace that page on that service) or, if such rate not so published by 3:00 P.M., New York City time, on the related Calculation Date, the Bond Equivalent Yield of the auction rate of such Treasury Bills as announced by the United States Department of the Treasury. In the event that such auction rate is not so announced by the United States Department of Treasury on such Calculation Date, or if no such Auction is held, then the Treasury Rate determined as of such Treasury Rate Interest Determination Date shall be the Bond Equivalent Yield of the rate on such Treasury Rate Interest Determination Date of Treasury Bills having the Index Maturity specified on the face hereof published in H.15(519) under the caption “U.S. government securities/Treasury bills (secondary market)” or, if not yet

published by 3:00 P.M., New York City time, on the related Calculation Date, the rate on such Treasury Rate Interest Determination Date of such Treasury Bills published in H.15 Daily Update, or such other recognized electronic source used for the purpose of displaying such rate, under the caption “U.S. government securities/Treasury bills(secondary market).” If such rate is not yet published in H.15(519), H.15 Daily Update or another recognized electronic source by 3:00 P.M., New York City time, on the related Calculation Date, then the Treasury Rate determined as of such Treasury Rate Interest Determination Date shall be calculated by the Calculation Agent as the Bond Equivalent Yield of the arithmetic mean of the secondary market bid rates, as of approximately 3:30 P.M., New York City time, on such Treasury Rate Interest Determination Date, of three leading primary United States government securities dealers selected by the Calculation Agent, for the issue of Treasury Bills with a remaining maturity closest to the Index Maturity specified on the face hereof; provided, however, that if the dealers so selected by the Calculation Agent are not quoting as mentioned in this sentence, the Treasury Rate determined as of such Treasury Rate Interest Determination Date shall be the Treasury Rate in effect on such Treasury Rate Interest Determination Date.

“Bond Equivalent Yield” means a yield (expressed as a percentage) calculated in accordance with the following formula:

$$\text{Bond Equivalent Yield} = \frac{D \times N}{360 - (D \times M)} \times 100$$

where “D” refers to the applicable per annum rate for Treasury Bills quoted on a bank discount basis and expressed as a decimal, N refers to 365 or 366, as the case may be, and “M” refers to the actual number of days in the applicable Interest Reset Period.

Any provision contained herein, including the determination of an Interest Rate Basis, the specification of an Interest Rate Basis, calculation of the interest rate applicable to this Note, its Interest Payment Dates or any other matter relating thereto may be modified as specified in an Addendum relating hereto if so specified above.

Notwithstanding the foregoing, the interest rate hereon shall not be greater than the Maximum Interest Rate, if any, or less than the Minimum Interest Rate, if any, specified above. In addition to any maximum Interest Rate applicable hereto pursuant to the above provisions, the interest rate on this Note will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by the United States law of general application.

The Calculation Agent shall calculate the interest rate hereof in accordance with the foregoing on or before each Calculation Date. At the request of the Holder hereof, the Calculation Agent will provide to the Holder hereof the interest rate hereon then in effect and, if determined, the interest rate which will become effective as of the next Interest Reset Date.

The “Calculation Date”, if applicable, pertaining to any Interest Determination Date shall be the earlier of (i) the tenth calendar day after such Interest Determination Date or, if such day is not a Business Day, the next succeeding Business Day or (ii) the Business Day immediately preceding the applicable Interest Payment Date or the Maturity Date, as the case may be. At the request of the Holder hereof, the Calculation Agent will provide to the Holder hereof the interest

rate hereon then in effect and, if determined, the interest rate that will become effective as a result of a determination made for the next succeeding Interest Reset Date.

Accrued interest hereon shall be an amount calculated by multiplying the principal amount hereof by an accrued interest factor. Such accrued interest factor shall be computed by adding the interest factor calculated for each day in the applicable Interest Period. Unless otherwise specified as the Day Count Convention on the face hereof, the interest factor for each such date shall be computed by dividing the interest rate applicable to such day by 360 if the Commercial Paper Rate, the Eleventh District Cost of Funds Rate, EURIBOR, the Federal Funds Rate, LIBOR or the Prime Rate is an applicable Interest Rate Basis or by the actual number of days in the year if the CMT Rate or the Treasury Rate is an applicable Interest Rate Basis. Unless otherwise specified as the Day Count Convention on the face hereof, the interest factor for this Note, if the interest rate is calculated with reference to two or more Interest Rate Bases, shall be calculated in each period in the same manner as if only the applicable Interest Rate Basis specified on the face hereof applied.

All percentages resulting from any calculation on this Note shall be rounded to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards (e.g., 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655)), and all amounts used in or resulting from such calculation on this Note shall be rounded, in the case of United States dollars, to the nearest cent or, in the case of a foreign currency, to the nearest unit (with one-half cent or unit being rounded upwards).

If an Event of Default shall occur and be continuing, the principal of the Notes may be accelerated in the manner and with the effect provided in the Indenture.

The Indenture permits the amendment thereof for specified purposes, including, among other things, curing ambiguities and correcting inconsistencies, by the Company and the Trustee without the consent of the Holders. The Indenture also permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of any series of Debt Securities to be adversely affected thereby at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of each series of Debt Securities at the time outstanding, adversely affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the outstanding Debt Securities of each series, on behalf of the Holders of Debt Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay principal, premium, if any, and interest in respect of this Note at the times, places and rate or formula, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note may be registered on the Security Register of the Company upon surrender

of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Notes of Authorized Denominations and for the same aggregate principal amount with the same terms and provisions, will be issued by the Company to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons and, if payable in U.S. dollars, only in denominations of U.S.\$1,000 and any integral multiple of U.S.\$1,000. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series of a different denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Holder as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary, except as required by law.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES.

Capitalized terms used herein without definition which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Re: Colgate-Palmolive Company  
Registration Statement on Form S-3

Ladies and Gentlemen:

At your request, we have examined the Registration Statement on Form S-3 (the "Registration Statement") in the form to be filed with the Securities and Exchange Commission (the "Commission") relating to the registration under the Securities Act of 1933, as amended (the "Act"), of debt securities (the "Debt Securities") of Colgate-Palmolive Company, a Delaware corporation (the "Company"). The Debt Securities (including the Company's Medium-Term Notes, Series H, Due One Year or More from Date of Issue (the "Notes")), are to be issued under an Indenture, dated as of November 15, 1992 (the "Indenture"), between the Company and The Bank of New York Mellon (formerly known as The Bank of New York), as trustee, which is incorporated by reference as an exhibit to the Registration Statement. The Debt Securities are to be issued in substantially the forms filed or to be filed as exhibits to the Registration Statement (with maturities, interest rates and other terms of the Debt Securities appropriately filled in). The Debt Securities are to be sold from time to time as set forth in the Registration Statement, any amendment thereto, the prospectus contained therein (the "Prospectus") and any supplements to the Prospectus (the "Prospectus Supplements").

We have examined the Registration Statement and such other instruments, documents, and records which we deemed relevant and necessary for the basis of our opinion hereinafter expressed. In such examination, we have assumed the following: (a) the authenticity of original documents and the genuineness of all signatures; (b) the conformity to the originals of all documents submitted to us as copies; and (c) the truth, accuracy and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed.

Based on such examination, we are of the opinion that (i) as to the Notes, the issuance of up to \$2,000,000,000 in aggregate principal amount of the Notes (or the equivalent in the currency of countries other than the United States or a composite currency) has been duly authorized by all necessary action by the Board of Directors and the authorized officers of the Company and, when the variable terms of such Notes have been established by any of the authorized officers to whom such authority has been delegated and such Notes have been duly completed, executed, authenticated and delivered in accordance with the Indenture and sold as contemplated by the Registration Statement, any amendment thereto, the Prospectus and the applicable Prospectus Supplement relating to the Notes and the agreed consideration therefor has been received by the Company,

the Notes will constitute valid and binding obligations of the Company, enforceable in accordance with their terms; and (ii) as to other Debt Securities, when the issuance of such Debt Securities has been duly authorized by appropriate corporate action of the Company and when such Debt Securities have been duly completed, executed, authenticated and delivered in accordance with the Indenture and sold as contemplated by the Registration Statement, any amendment thereto, the Prospectus and any Prospectus Supplement relating thereto and the agreed consideration therefor has been received by the Company, such Debt Securities will constitute valid and binding obligations of the Company, enforceable in accordance with their terms.

With respect to enforcement, the above opinion is qualified to the extent that enforcement of the Indenture and the Debt Securities may be limited by applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability (including, without limitation, concepts of good faith, fair dealing and the lack of bad faith), provided that we express no opinion as to the effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above. We have assumed that none of the terms of any Debt Security to be established subsequent to the date hereof, nor the issuance and delivery of such Debt Security, nor the compliance by the Company with the terms of such Debt Security will violate any applicable law or public policy or will result in a violation of any provision of any instrument or agreement then binding upon the Company, or any restriction imposed by any court or governmental body having jurisdiction over the Company. We note further that enforcement of any Debt Securities denominated in a currency or currency unit other than United States dollars may be limited by requirements that a claim (or foreign currency judgment in respect of such claim) be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law.

The foregoing opinion is given as of the date hereof and is limited to matters arising under the laws of the State of New York and the General Corporation Law of the State of Delaware as in effect on the date hereof. We hereby consent to the filing of this opinion as an exhibit to the above-referenced Registration Statement and to the use of our name wherever it appears in the Registration Statement and any amendment thereto. In addition, if a prospectus supplement or pricing supplement relating to the offer and sale of any particular Debt Security or Debt Securities is prepared and filed by the Company with the Commission on a future date and the prospectus supplement or pricing supplement contains our opinion and a reference to us substantially in the form set forth below, this consent shall apply to our opinion and the reference to us in substantially such form:

“In the opinion of Sidley Austin LLP, as counsel to the Company, when the notes offered by this prospectus supplement have been executed and issued by the Company and authenticated by the trustee pursuant to the indenture, and delivered against payment as

contemplated herein, such notes will be valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability (including, without limitation, concepts of good faith, fair dealing and the lack of bad faith), provided that such counsel expresses no opinion as to the effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above. This opinion is given as of the date hereof and is limited to the laws of the State of New York and the General Corporation Law of the State of Delaware as in effect on the date hereof. In addition, this opinion is subject to customary assumptions about the genuineness of signatures and certain factual matters, all as stated in the letter of such counsel dated October 24, 2014, which has been filed as Exhibit 5.1 to the Company's registration statement on Form S-3 filed with the Securities and Exchange Commission on October 24, 2014. [This opinion is also subject to the discussion, as stated in such letter, of the enforcement of notes denominated in a foreign currency or currency unit.]

In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required by Section 7 of the Act.

Very truly yours,  
/s/ Sidley Austin LLP
